CHUTIA NAGPUR TENURES' ACT.

[RECEIVED L.-G.'s ASSENT 28TH JANUARY, AND G.-G.'s 9TH MARCH.]

An Act to ascertain, regulate, and record certain tenures in Chutiá Nágpur.

WHEREAS from a very early time certain tenures have existed in Chutiá Nágpur, known as bhúinhári, held by persons claiming to be descendants of the original founders of the villages in which such lands are situated, or their assigns; and also certain similar tenures known as bhút-khetá, dáli-kátári, and páhnái, consisting of lands set apart for the duties which the village "páhan," or priest, is required to perform, and for his maintenance, and also other similar tenures known as "mahtoai," consisting of lands allotted to the village mahto, or collector of rents; and whereas, where the above tenures are found, there are also lands known as majhahas, reserved for the use of the respective proprietors of the villages, and at their absolute disposal, and also lands known as bhét-khetá, ordinarily assigned as remuneration to the villagers who work for the proprietor or his assigns on the majhahas land; and whereas disputes have arisen, rendering it desirable that these tenures should be defined and recorded, and a register made of all rights, privileges, immunities, and liabilities affecting the holders thereof; It is enacted as follows:—

Construction. 1. In the construction of this Act, the words and expressions following shall have the meanings hereinafter in this section attributed to them respectively, unless a contrary sense be apparent from the context:—

the word "bhúinhári" shall include the tenures mentioned in the preamble as bhút-khetá, dáli-kátári, páhnái, and mahtoai:

the word "majhahas" shall include the tenures mentioned in the preamble as bhét-khetá:

the words "the Special Commissioner" shall be taken to mean a Commissioner to be appointed for the purposes of this Act.

2. It shall be lawful for the Lieutenant-Governor of Bengal, by an order published in the *Calcutta Gazette*, to appoint one or more persons, as may be judged expedient, to be a Commissioner or Commissioners for the purposes of this Act, and by an order, also published in the

4. In making such investigation, the Special Commissioner, in addition to all powers conferred on him by this Act, shall, as far as may be necessary for the purposes of this

7. It shall be presumed that all lands which may be found under the provisions of this Act to be of bhúinhári or majhahas tenure respectively are rightly subject to the conditions, rents, and services upon which such lands respectively are found to be held at the time of the enquiry made by the Special Commissioner, unless it be proved that at some former time, within twenty years before the passing of this Act, such lands were held subject to and upon other and different conditions, rents, and services; in which case it shall be presumed that such lands are rightly subject to the conditions, rents, and services subject to which they shall be proved to have been held at the earliest period within the said term of twenty years with respect to which such proof shall have been given.

(f) and warning him that, if he fails to give in a list of tenures as aforesaid on or before the said date, he will be deemed to have given up all claim to recover from the tenure-holders any part of the amount for which he may be held liable under section 26.

26. On the date fixed in such notice, the Collector shall proceed to consider all objections which may be made to the provisional apportionment, and to make such final apportionment of the expenses as shall seem to him fit.

In making such final apportionment, the costs of serving all notices under section 25 shall be distributed rateably among the estates concerned, in proportion to the share of the expenses of erecting boundary-marks which may be apportioned to each estate ; and the amount so finally apportioned as payable in respect of each estate, together with the costs of serving notices, rateably distributed as aforesaid, shall be due to the Collector from the zamindárs of such estates.

27. Notwithstanding anything contained in the last preceding section, the Collector may postpone the final apportionment if it shall appear to him that a notice under section 25 has not been served on the zamindár of any estate which should be made liable for a portion of the expenses, or for any other sufficient reason.

28. Any zamindár failing to appear on the date fixed in the notice served on him under section 25 will be deemed to have waived all objections to the payment of the amount apportioned to his estate, and will not be entitled to prefer any objections thereto on any subsequent date ; and any zamindár failing to give, in a list of tenures (when called upon under section 25 to give in such list), on or before such date, will be deemed to have given up all claim to recover from the tenure-holders any part of the amount which may have been apportioned as payable in respect of his estate under section 26.

29. So soon as the expenses shall have been finally apportioned under section 26 among the estates concerned as hereinbefore provided, the Collector shall issue a notice in respect of every estate, specifying the amount finally apportioned as payable in respect of the estate, and requiring the zamindár to pay such amount to the Collector, together with the costs of serving such notice, within one month of the issue of the notice. If such amount be not paid to the Collector within such period, the same, with interest at such rate, not exceeding six per centum per annum, as the Lieutenant-Governor may from time to time determine, may be levied as provided in section 57.

1875.

Act 5.

The notice issued under this section shall assign to the zamindár, or to the zamindár jointly with tenure-holders, the boundary-marks which they are legally bound to preserve under the provisions of section 19, and in respect of which they will be held liable to pay the costs of re-erection, maintenance, and repair, under the provisions of section 20.*

30. If the zamindár of any estate shall give in a list of tenures, as referred to in section 25, with an application to the Collector to apportion between his estate and the tenures the amount which has been apportioned as payable in respect of his estate as aforesaid, the Collector shall proceed to make a provisional apportionment of the said amount between the zamindár and the tenure-holders, to serve notices on the said tenure-holders in the manner provided in section 25, and to make a final apportionment among the said zamindár and tenure-holders in the manner provided in sections 26 and 27; and the provisions of section 28 shall be applicable to such tenure-holders:

Provided that no separate notice shall be served under this section in respect of the provisional or final apportionment of the sum payable in respect of any tenure, if such sum be less than two rupees; but in respect of all such sums it shall be sufficient to publish a list shewing the sums apportioned as payable.

Such list shall be published by being posted at the office of the sub-divisional officer and at a conspicuous place in some village within which lands appertaining to the tenure are situate.

31. Notwithstanding anything in this Part contained, whenever the Collector may consider that he has sufficient information (whether derived from papers compiled for the purposes of the road-cess, from inquiries made in the course of proceedings under this Act, or otherwise) to enable him, in a summary way, to make an apportionment of any expenses recoverable under this Act in respect of any estate, between the zamindárs of, and the holders of, tenures in such estate, the Collector may, as soon as possible after he shall have made a provisional apportionment under section 24 of the sum payable in respect of such estate, and without calling on the zamindár to give in any list of tenures as provided in clause *e* of section 25, proceed to make a provisional apportionment between the zamindárs and the tenure-holders of such estates of the sum which has been provisionally apportioned under section 24 as payable in respect of the estate.

32. Whenever any provisional apportionment of the sum payable between the zamindárs and the tenure-holders may have been made summarily, as provided in the last preceding section,

the notice to be served on the zamindár under section 25 shall inform the zamindár, in addition to the particulars specified in clauses *a*, *b*, *c*, and *d* of the said section, and instead of those specified in clauses *e* and *f*,

that under this Act he is entitled to recover a portion of the amount which shall be finally apportioned as payable in respect of his estate under section 26 from the tenure-holders on his estate; and

Act. 5.

and shall warn him

that if he fails to prefer any objection to such provisional apportionment on or before the date specified, he will be deemed to have given up all right to prefer any such objection at any future time ; and

that the Collector will proceed to make such apportionment final, or to make any modifications in it which he may think fit ;

provided that the sum finally made payable by the zamindár shall not exceed the sum apportioned upon him in the said provisional apportionment between the zamindárs and the tenure-holders.

33. As soon as a provisional apportionment between the zamindár and

the tenure-holders shall have been made summarily as provided in section 31, the Collector shall proceed to serve notices on the tenure-holders concerned in the manner provided in section 30, and to do all other things as if the said provisional apportionment upon tenure-holders had been made on a list given in by the zamindár under section 30.

34. In apportioning the amount among the zamindár and the tenure-

holders, the Collector shall first deduct such sum as he shall consider to be fairly payable by the zamindár in respect of lands not included in any tenure, and in respect of his interest in lands which are included in tenures ; and in apportioning the remainder among the tenures, he shall take into consideration the number of pillars erected within or on the boundary of each tenure, the extent of each tenure, and the distance at which it is situated from the boundary-marks ; but no tenure shall be made liable for any portion of the sum so apportioned, unless some part of it be situated within fifteen hundred feet from some boundary-mark.

35. So soon as the final apportionment among tenure-holders under

section 30 shall be completed, the Collector shall cause to be issued notices to each of the said tenure-holders, stating the amount payable in respect of each of their tenures, with interest (if any) calculated at the annual rate of six per centum from the date on which the zamindár paid to the Collector the sum which was apportioned on his estate under section 26, and the cost of serving upon the tenure-holder the notice under this section, and calling upon him to pay the total amount so due to the zamindár of the estate of which the tenure is a part, within one month of the date of the notice :

Provided that no separate notice shall be served under this section on

any tenure-holder who is required to pay a sum of less than two rupees as his share of the expenses apportioned under this Act ; but in respect of such sums it shall be sufficient to publish a list in the manner prescribed by section 30, and no costs incurred in respect of the publication of any such list shall be recoverable from any person mentioned therein as liable to pay less than two rupees.

36. Notwithstanding anything contained in section 35, the Collector

shall not issue the notices therein mentioned to the tenure-holders until the zamindárs concerned shall have deposited with the Collector the full amount of the costs of serving all the notices, and of publishing the lists as required by that section.

1875.

Act 5.

37. The provisions of sections 25, 26, 27, 28, 29, 30, 31, and 35, shall be applicable, as far as possible, to every case in which any tenure-holder who has been made liable for the payment of any share of expenses under this Act may apply to the Collector to apportion the amount for which he has been made liable between himself and the holders of subordinate tenures direct from himself;

and the provisions of sections 31, 32, and 33, regarding the procedure for making a provisional apportionment in a summary way between a zamindár and the tenure-holders on his estate, shall be applicable, as far as possible, to the provisional apportionment of expenses between the holder of a tenure and the holders of under-tenures within his tenure;

provided always that no such apportionment shall be made in respect of raiyats who have a right of occupancy only, and whose rent is not fixed in perpetuity.

38. Every zamindár or tenure-holder to whom any sum is payable under the preceding sections may recover the same with interest as aforesaid in the manner provided by any law for the time being in force for the recovery of arrears of rent in respect of the tenure for which the sum is due.

provided that the relaying and record of a boundary by the Collector under this section shall not affect the possession of any land by any party, and shall be in addition to the determination and record of the boundary according to actual possession required by section 41.

27. Nothing contained in the last preceding section shall affect the liability of any person who may receive the whole or any part of any compensation awarded under this Act to pay the same to the person lawfully entitled thereto.

28. Every tenant holding under an unexpired lease, or having a right of occupancy, who is in occupation of any land at the time when any stoppage or diminution of the supply in respect of which compensation is allowed under section 11 takes place, may claim an abatement of the rent previously payable by him for the said land, on the ground that the interruption reduces the value of the holding; provided that no part of the said compensation shall have been received by the said tenant in respect of such reduction in the value of his holding.

1876.
—
Act 3.

29. If a water-supply increasing the value of such holding is afterwards restored to the said land otherwise than at the restoration of water-supply, the rent of the tenant may be enhanced, in respect of the increased value of such land due to the restored water-supply, to an amount not exceeding that at which it stood immediately before the abatement.

Such enhancement shall be on account only of the restored water-supply, and shall not affect the liability of the tenant to enhancement of rent on any other grounds.

30. All sums of money payable for compensation under this Part shall become due three months after the claim for such compensation is made in respect of the stoppage, diminution, or damage complained of, and simple interest at the rate of six per centum per annum shall be allowed on any such sum remaining unpaid after the said three months, except where the non-payment of such sum is caused by the wilful neglect or refusal of the claimant to receive the same :

Provided that the Collector may at any time invest the whole or any portion of the amount payable as compensation under this Act in any Government securities, and such securities shall be held by the Collector for the benefit of the persons interested, and the persons interested shall be bound to receive such securities with any interest which may have accrued upon them as full payment of the sum which the Collector paid for such securities, and of any sum which he may have paid as expenses incurred in purchasing the same, and of any interest which might otherwise have accrued on such sums.

31. No compensation shall be claimable under this Act in respect of any works executed before it came into force, or of any damage, injury, or loss caused by such works.

32. Service of any notice under this Part shall be made by delivering or tendering a copy thereof signed by the officer therein mentioned.

Whenever it may be practicable, the service of the notice shall be made on the person therein named.

When such person cannot be found, the service may be made on any adult male member of his family residing with him ; and if no such adult male member can be found, the notice may be served by fixing the copy on the outer door of the house in which the person therein named ordinarily dwells or carries on business ; and if such person has no ordinary place of residence within the district, service of any notice may be made by sending copy of such notice by post in a registered cover addressed to such person at his usual place of residence.

PART III.

OF THE MAINTENANCE OF CANALS.

33. Whenever it shall be necessary to make any enquiry or examination in connection with a projected canal or with the maintenance of an existing canal, or with a projected flood-embankment, or with the maintenance of an existing flood-embankment, any canal-officer or other person acting under the general or special orders of a canal-officer may enter upon such lands as he may think

1876. necessary for the purpose, and may exercise all powers and do all things in respect of such lands as he might exercise and do if the Government had issued a notification under the provisions of section 4 of the Land Acquisition Act, 1870, to the effect that land in that locality is likely to be needed for a public purpose; and may set-up and maintain water-gauges, and do all other things necessary for the prosecution of such enquiry and examination.

35. In case of any accident being apprehended or happening to a canal or flood-embankment, any canal-officer, or any person acting under his general or special orders in this behalf, may enter upon any lands adjacent to such canal or flood-embankment, and may execute all works which may be necessary for the purpose of preventing such accident, or repairing any damage done.

36. When such canal-officer or person proposes, under the provisions of Notice to occupier of either of the three last preceding sections, to enter building, &c. into any building or enclosed court or garden attached to a dwelling-house not supplied with water flowing from any canal, and not being adjacent to a flood-embankment, he shall previously give to the occupier of such building, court, or garden such reasonable notice as the urgency of the case may allow.

37. In every case of entry upon any land or building under section 7, Compensation for damage section 33, section 34, or section 35, the canal-officer or person making the entry shall ascertain and record the nature of any crop, tree, building, or other property to which damage has been done, and the extent of the damage done to any such property, and shall tender compensation to the proprietors or occupiers for all damage done to the same by the entry or by any works executed.

If such tender is not accepted, the canal-officer shall refer the matter to the Collector, who shall thereupon give notice in writing to the person interested in such land and to the canal-officer, requiring them to attend before him, on a date to be fixed in the notice, for the purpose of making enquiry as to the amount of compensation.

38. After such enquiry as he may think necessary, the Collector shall Appeal from Collector's decide the amount of compensation payable; and decision to Commissioner. such decision shall be subject to an appeal to the Commissioner of the division; provided that such appeal be presented to the Commissioner, or to the Collector for transmission to the Commissioner, within thirty days of the decision appealed against.

Act 3.

On the completion of any canal or of any convenient section of any canal, the Collector, after causing such inspection to be made as may be necessary, shall certify to the Government that suitable and sufficient means of crossing the canal, and suitable and sufficient means of drainage as aforesaid, have been provided ; or shall report in what respects the provision made for the above purposes is defective ; and if, at any time after he shall have given such certificate, it shall be brought to his notice that the provision made as above has proved insufficient, the Collector shall cause enquiry to be made into the circumstances of the case, and, if the statement is established, shall report his opinion thereon for the consideration of the Lieutenant-Governor, and the Lieutenant-Governor shall cause such measures in reference thereto to be taken as he thinks proper.

PART IV. OF DRAINAGE.

40. Whenever it appears to the Lieutenant-Governor that injury to the public health or public convenience, or to any canal, or to any land for which irrigation from a canal is available, has arisen or may arise from the obstruction of any river, stream, or natural drainage-course, the Lieutenant-Governor may, by notification published in the *Calcutta Gazette*, prohibit, within limits to be defined in such notification, the formation of any such obstruction, or may, within such limits, order the removal or other modification of such obstruction.

Thereupon so much of the said river, stream, or natural drainage-channel as is comprised within such limits, shall be held to be a drainage-work as defined in section 3.

41. The canal-officer or other person authorized by the Lieutenant-Governor in that behalf may, after such publication, issue an order to the person causing or having control over any such obstruction, to remove or modify the same within a time to be fixed in the order.

42. If, within the time so fixed, such person does not comply with the order, the canal-officer may cause the obstruction to be removed or modified ; and if the person to whom the order was issued does not, when called upon, pay the expenses of such removal or modification, such expenses shall be recoverable as a demand.*

43. Whenever it appears to the Lieutenant-Governor that any drainage-works are necessary for the public health, or for the improvement or proper cultivation or irrigation of any lands in districts to which the provisions of the Bengal Embankment Act, 1873, do not apply, or that protection from floods or other accumulations of water, or from erosion by a river, is required for any lands,

the Lieutenant-Governor may cause a scheme for such works to be drawn up and carried into execution, and the persons authorized by the Lieu-

tenant-Governor to draw up and execute such scheme may exercise in connection therewith all or any of the powers conferred on canal-officers by sections 33, 34, and 35, and shall be liable to any or all of the obligations imposed upon canal-officers by sections 36 and 37.

Disposal of claims to compensation.

44. Whenever, in pursuance of a notification made under section 40, any obstruction is removed or modified ;

or whenever any drainage-work is carried out under the last preceding section,

all claims for compensation on account of any loss consequent on the removal or modification of the said obstruction, or the construction of such work, may be made before the Collector, and he shall deal with the same in the manner provided in Part II. ; but no compensation shall be allowed for any damage arising from increase of percolation.

45. No such claim shall be entertained after the expiration of six months from the occurrence of the loss complained of, unless the Collector is satisfied that the claimant had sufficient cause for not making the claim within such period.

Limitation of such claims

PART V.

OF VILLAGE-CHANNELS.

" Person " defined.

46. " Person " in this Part includes any number of persons acting jointly.

47. The canal-officer shall keep a register of all village-channels, whether already existing or constructed under this Act, and shall note thereon in respect of every village-channel whether it is a public channel maintained at the cost of the Government, or a private channel maintained at the cost of the owners ; and shall register the names of the owners of every such private channel.

Register of village-channels to be kept.

A village-channel made as an extension of, or a branch to, an existing village-channel, shall be registered as a separate village-channel : and so much of the length of any village-channel as lies within the limits of any one village or mouza shall be entered on the register as a separate village-channel.

Extension or branch of village-channel to be registered.

Every section of a village-channel so separately entered on the register shall be deemed to be a separate village-channel in respect of all rights and liabilities imposed by this Act :

Provided always that, whenever it shall seem fit to the canal-officer for any special reason to enter upon his register as one village-channel a section of a village-channel which includes portions lying within two or more villages or mouzas, the canal-officer may, with the consent of the Collector obtained in writing, register such section as one village-channel, and such section shall be deemed to be one village-channel, in respect of all rights and liabilities imposed by this Act.

Canal-officer may register as one village-channel section including portions lying within two or more villages.

Person may acquire existing village-channel by agreement.

48. Any person may, with the consent of the canal-officer, acquire the property in an existing village-channel for the purpose of improving or maintaining it—

(a) by taking over any village-channel belonging to Government ;

(b) by transfer of a village-channel from the owner thereof by private agreement. 1876.

Act 3.

49. Any person may, with the permission of a canal-officer, construct a new village-channel if he has obtained the consent of the owners and occupiers of the land required therefor.

50. Any person desiring the construction of a new village-channel, but being unable or unwilling to construct it under a private arrangement with the owners and occupiers of the land affected, as mentioned in the last preceding section, may apply in writing to the canal-officer, stating that he desires the said canal-officer, in his behalf and at his cost, to do all things necessary for constructing such village-channel; that he is ready to defray all costs necessary for acquiring the land and constructing such village-channel.

Procedure when canal-officer considers construction of village-channel expedient. 51. If the canal-officer considers the construction of such village-channel expedient, he may call upon the applicant to deposit any part of the expense such officer may consider necessary,

and upon such deposit being made, shall cause inquiry to be made into the most suitable alignment for the said village-channel,

and shall mark out the land which, in his opinion, it will be necessary to occupy for the construction thereof,

and shall forthwith publish a notification in every village through which the village-channel is proposed to be taken, that so much of such land as is situated within such village has been so marked out,

and shall send a copy of such notification to the Collector of every district in which any part of such land is known to be situate for publication on such land.

Such notification shall also call upon any person who wishes to be

Notice to person wishing admitted a joint owner of such village-channel to be joint owner. to make his application in that respect within thirty days of the publication of such notification.

If any such applicant appears, and his application is admitted, he shall be liable to pay his share in the construction of such village-channel and in the cost of acquiring such land, and shall be an owner of such village-channel when constructed.

52. On receipt of copy of such notification, the Collector shall proceed to acquire such land under the provisions of the Land Acquisition Act, 1870, as if a declaration had been issued by the Government for the acquisition thereof under section 6 of that Act, and as if the Government had thereupon directed the Collector to take order for the acquisition of such land under section 7 of the said Act, and (if necessary) as if the Government had issued orders for summary possession being taken under section 17 of the said Act.

53. On being put in possession of the land, the canal-officer shall construct the required village-channel, and, on its completion, shall give to the applicant notice thereof, and of any sum payable by him on account of the cost of acquiring the land and constructing the village-channel.

On such notice being given, such sum shall be due from the applicant to the canal-officer.

1876.

Act 3.

On receipt of payment in full of all expenses incurred, the canal-officer shall make over possession of such village-channel to such applicant.

54. Whenever a canal-officer considers that the transfer of a village-channel from the owner is necessary for the proper management of the irrigation from such village-channel, he may cause a notice to be served on the registered owner to appear on a certain day, not less than fifteen days after service of notice, and to prefer any objection to such transfer.

After hearing such objection, the canal-officer may order that such village-channel shall be transferred to such person as he may think fit, and that such person be registered as owner of the said village-channel:

Provided that no person shall be registered as the owner of a village-channel under this section, unless he has expressed in writing his willingness to be so registered, and until he has paid to the canal-officer such sum as may be fixed by the canal-officer under section 56.

55. Any person wishing to become the joint owner of an existing village-channel may petition the canal-officer to that effect, and on receipt of such petition the canal-officer may, if he think fit, issue a notice as provided in the last preceding section upon the registered owner, and, after hearing any objection which the registered owner may prefer against the admission of such applicant to be a joint owner, may direct that the applicant shall be registered as such joint owner.

56. When deciding the question of transfer or of admission to joint ownership under either of the two last preceding sections, the canal-officer shall also determine what amount shall be paid

as the costs of the proceedings;
as compensation to the previous owners;
and the amount so determined shall be due by the transferee or the person admitted to registry as a joint owner, as the case may be; and on payment of such amount, the village-channel shall be transferred, or the applicant shall be registered as owner or as a joint owner thereof, as the case may be.

57. Instead of awarding payment of compensation under the last preceding section, the canal-officer may fix an amount of rent to be paid annually to the previous owners by the persons to whom the village-channel is transferred.

Ownership of village-channel.

58. Every person

- (a) acquiring a village-channel as provided in section 46; or
 - (b) constructing a village-channel as provided in section 49; or
 - (c) receiving possession of a village-channel as provided in section 53; or
 - (d) acquiring a village-channel by transfer, as provided in section 54; or
 - (e) being admitted to registration as joint owner in a village-channel, as provided in section 55,
- shall be deemed to be an owner of such village-channel.

Obligations and rights of owner of village-channel. 59. Every owner of a village-channel shall be bound

1876.

Act 3.

(a) to construct and maintain all works necessary for the passage across such village-channel of canals, village-channels, drainage-channels, and public roads existing at the time of its construction, and of the drainage intercepted by it, and for affording proper communications across it for the convenience of the occupants of neighbouring lands ;

(b) to maintain such village-channel in a fit state of repair for the conveyance of water ;

(c) to allow the use of it to others on such terms as may be declared equitable by the canal-officer as hereinafter prescribed ;

and shall be entitled

(d) to have a supply of water by such village-channel at such rates and on such terms as are prescribed by the rules made by the Lieutenant-Governor under section 99 ;

(e) to receive such rent for the use of the village-channel by other persons as the canal-officer may award him.

60. If the owner of a village-channel fails to fulfil the obligations men-

If owner of village-channel fails to execute work or repair, canal-officer may do so.

tioned in clauses *a* and *b* of the last preceding section, the canal-officer may require him by notice to execute the necessary works or repairs within a period not being less than fifteen days, and, in the event of failure, may execute them on his behalf ; and all expenses incurred by the execution of such works or repairs shall be a sum due by such owner to Government ; and if any such owner who has already failed on one occasion to execute such works or repairs when required to do so, and has left them to be executed on his behalf by the canal-officer, shall again fail to execute any such works or repairs when required to do so ; or if any such owner shall refuse in any respect to fulfil the obligation mentioned in clause *c* of the last preceding section, after having been required to fulfil the same by a notice in writing from the canal-officer, the canal-officer may strike such village-channel off the register, and so disqualify it to be any longer a medium for the conveyance of canal-water.

61. Any owner may resign his interest in a village-channel, provided

such resignation be duly registered in the office of the canal-officer.

62. Any owner of a village-channel may, with the consent of the canal-

officer, transfer his interest to any other person, provided that the liabilities of the person so transferring shall not cease till such transfer is registered in the office of the canal-officer.

Procedure on death of owner of village-channel.

63. If any owner of a village-channel dies, his legal representative may apply for registration in his stead.

If no such application for registry be made within six weeks from the death of the said owner, the remaining registered owners of the village-channel (if any) shall be deemed to be owners of the entire interest in the village-channel, until some other person shall have established his claim to be registered as owner in place of the deceased.

If the deceased shall have been the sole registered owner, the canal-officer shall be deemed to be his representative for the purposes of this Part, and shall exercise all rights and be bound by all liabilities which attached to the deceased in respect of his ownership of the said village-channel, until some person shall have established his right to be registered as owner thereof in place of the deceased ; and the canal-officer shall account to such person

Act 3.

for all sums received and expended in the exercise of the rights and discharge of the liabilities which attached to the deceased in respect of such ownership.

64. When any person applies for registration under the three last preceding sections, the canal-officer shall serve notice on the other registered owners to prefer any objection to the resignation, transfer, or succession within fifteen days, and, if no such objection shall be made, or if the objections made be deemed invalid, shall order such resignation, transfer, or succession to be registered.

65. All joint owners of a village-channel shall be held to have an equal interest in it, unless, with the permission of the canal-officer, they register specific unequal interests.

66. Any person not an owner of a village-channel, desiring to have a supply of water through such village-channel, may make a private arrangement with the owners for the conveyance of water, or may apply to the canal-officer for authority to use such village-channel.

67. On receipt of such application, the canal-officer shall serve notice on the owners to shew cause why such permission should not be granted, and, if no objection be raised, or if any objections be raised and found invalid, shall authorize the conveyance of such supply on such conditions as may appear to him equitable.

Canal-officer to fix rent of village-channel.

68. The canal-officer shall also fix a sum as rent to be paid for the use of such village-channel to the owner.

Such rent may be in the form of a percentage on the water-rate of the person using the village-channel, or otherwise, as may be fixed by the canal-officer.

69. The owner of a village-channel which receives its water through another village-channel may, at the discretion of the canal-officer, either be declared a joint owner of such other village-channel, or may be required to pay rent for the use of the same to the owner thereof, as provided in the last preceding section.

70. All rent payable under either of the two last preceding sections shall be deemed to be due in the same instalments and at the same periods as the water-rate is due, or in such other instalments and at such other dates as the canal-officer may direct, and may be collected by the canal-officer on behalf of the person entitled to it, if the canal-officer thinks fit.

71. Any canal-officer collecting rent under the last preceding section on behalf of any person entitled thereto shall be bound to pay to the person entitled to the same no more than the amount actually collected by him as rent.

72. No land acquired under this Part for a village-channel shall be used for any other purpose without the consent of the canal-officer previously obtained.

1876.

Act 3.

73. Every sum declared to be due under this Part shall be recoverable by the canal-officer on behalf of the Government or of the person entitled to receive the same, and shall be held to be a demand.*

PART VI.

OF THE SUPPLY OF WATER.

74. Every person desiring that water shall be supplied to his land from a canal shall present a written application to that effect to the canal-officer, in the form given in Schedule B hereto annexed, or in a similar form, binding himself by the rules made by the Lieutenant-Governor under the powers vested in him by this Act; and no person shall be liable to pay any rate or due whatever, on account of water supplied to his land with the permission of the canal-officer, otherwise than on such application, nor shall water be supplied otherwise than on such application.

75. If the application mentioned in the last preceding section be granted by the canal-officer, the canal-officer shall cause his permission to be recorded in the form given in Schedule C hereto annexed, or in some similar form, binding himself by the rules made by the Lieutenant-Governor as aforesaid.

Rules subject to conditions as to—

76. All rules made by the Lieutenant-Governor under section 99 shall be consistent with the following conditions:—

(a) The canal-officer may not stop the supply of water to any village-channel, or to any person who is entitled to such supply, except in the following cases:—

- (1) whenever and so long as it is necessary to stop such supply for the purpose of executing any work ordered by competent authority;
- (2) whenever and so long as any village-channel is not maintained in such repair as to prevent the wasteful escape of water therefrom;
- (3) whenever and so long as it is necessary to do so in rotation to supply the legitimate demands of other persons entitled to water;
- (4) whenever and so long as it may be necessary to stop the supply in order to prevent the wastage or misuse of water;

(b) No claim shall be made against the Government for compensation in respect of loss caused by the failure or stoppage of the water in a canal, by reason of any cause beyond the control of the Government, or of any repairs, alterations, or additions to the canal, or of any measures taken for regulating the proper flow of water therein, or for maintaining the established course of irrigation which the canal-officer considers necessary; but the person suffering such loss shall be entitled to such remission of the ordinary charges payable for the use of the water as is authorized by the Lieutenant-Governor:

(c) If the supply of water to any land irrigated from a canal be interrupted otherwise than in the manner described in the last preceding clause, the occupier or owner of such land may present a petition for compensation claims on account of interruption from other causes;

* The rest of this section has been repealed by Act VII. of 1880 (B.C.), s. 3.

1876. to the Collector for any loss arising from such interruption, and the Collector shall award to the petitioner reasonable compensation for such loss :
Act 3.

(d) When the water of a canal is supplied for the irrigation of a single crop, the permission to use such water shall be held to continue only until that crop comes to maturity, and to apply only to that crop ; but if it be supplied for irrigating two or more crops to be raised on the same land within the year, such permission shall be held to continue for one year from the commencement of the irrigation, and to apply to such crops only as are matured within that year :

(e) No person entitled to use the water of any canal, or any work, building, sale or sub-letting of right or land appertaining to any canal, shall sell or sub-let or otherwise transfer his right to such use without the permission of the canal-officer ; but all contracts made between Government and the owner or occupier of any immoveable property, as to the supply of canal-water to such property, shall be transferable therewith, and shall be presumed to have been so transferred whenever a transfer of such property takes place.

77. On application being made for a supply of water to be used for purposes other than those of irrigation, the canal-officer may supply water for purposes other than those of irrigation. Canal-officer may give permission for water to be taken for such purposes under such special conditions and restrictions as to the limitation and control of the supply as he shall think proper to impose in each case.

PART VII.

OF WATER-RATES.

78. The rates to be charged for canal-water supplied for purposes of irrigation shall be determined by the Lieutenant-Governor, and all persons accepting the water shall pay for it accordingly.

79. If water supplied through a village-channel be used in an unauthorized manner, and if the person by whose act or neglect such use has occurred cannot be identified, the persons on whose land such water has flowed, if such land has derived benefit therefrom,

or if no land has derived benefit therefrom, all the persons chargeable in respect of the water supplied through such village-channel in respect of the crop then on the ground,

shall be liable to the charges made for such use, as determined by the Lieutenant-Governor under section 99.

80. If water supplied through a village-channel be suffered to run to waste, and if, after enquiry by the canal-officer, the person through whose act or neglect such water was suffered to run to waste cannot be discovered, all the persons chargeable in respect of the water supplied through such village-channel for the crop then on the ground shall be jointly liable for the charges made in respect of the water so wasted, as determined by the Lieutenant-Governor under section 99.

All questions arising under this and the last preceding section shall be decided by the canal-officer, subject to the provisions of section 91.

1876.
Act 3.

81. All charges for the unauthorized use or for waste of water shall be deemed to be water-rate due on the crop, and may be recovered as such water-rate in addition to any penalties incurred on account of such use or waste.

82. The canal-officer may enter into an agreement with any person for the collection and payment to the Government by such person of any sum payable under this Act by a third party.

83. Any sum lawfully due under this Part, either to the Government, or to any person who has entered into an agreement to collect dues for the Government, and certified by the canal-officer to be so due, shall be deemed to be rent payable on a pattá or engagement in respect of the land irrigated, and shall be recoverable as such by the person to whom it is payable :

Provided that the claim (if any) for rent in respect of such land shall have priority over any claim for arrears of water-rate so far as regards recovery of rent by the exercise of the power of restraint.*

84. If any person distrains half or more than half of any crop on account of which water-rate is due, such person shall be bound, on requisition by the canal-officer, to furnish him with an account shewing how the produce thus distrained has been appropriated in payment of such rent, and the canal-officer shall be entitled to challenge such account before any Court competent to try suits for arrears of rent in respect of the land in question, and such Court, if it finds that the value of the crop distrained was in excess of the amount of rent which had been due for a period not longer than a year, together with the costs of the distraint, may require the distrainer to pay the water-rate due on such crop.

85. Every arrear of water-rate which is due to Government, and every sum due to Government by any person on account of collections of water-rate, and every sum due to such person on account of water-rate, and certified by the canal-officer to be so due, shall also be held to be a demand.†

Sections not applying to fines.

86. Nothing in sections 82 to 85 (inclusive) applies to fines.

PART VIII.

OF JURISDICTION.

87. Whenever a dispute arises between two or more persons in regard to their mutual rights or liabilities in respect of the use, construction, or maintenance of a village-channel, any such person interested may apply in writing to the canal-officer stating the matter in dispute.

Such officer shall thereupon give notice to the other persons interested that, on a day to be named in such notice, he will proceed to enquire into

1876. the said matter, and, after such enquiry, he may pass his order thereon, or
Act 8. may transfer the matter to the Collector, who shall thereupon enquire into and pass his order on the said matter.

88. Whenever any dispute arises among joint owners of a village-channel as to their shares of expense, or as to the payments, amounts severally contributed, or as to failure on the part of any owner to contribute his share, the matter may be decided after enquiry by the canal-officer or Collector, as provided in the last preceding section.

89. Any order passed by the Collector, under either of the two last preceding sections, and, subject to the provisions of section 91, any such order passed by a canal-officer, shall remain in force until set aside by the decree of a Civil Court, and may be executed by any canal-officer as if it were a decree of the Civil Court.

Jurisdiction as to suits
 arising out of powers of distraint.

90. All suits arising out of the exercise of the power of distraint for recovery of water-rates,

or out of any acts done under colour of the exercise of the said power of distraint,

or by persons in receipt of the water-rates against any agents employed by them in the collection of such water-rates, or the sureties of such agents for money received or for accounts kept by such agents in the course of such employment, or for papers in their possession,

shall be cognizable by the same Court or authority as would have jurisdiction if such water-rates were rent due for the land irrigated.

91. Every order passed by a canal-officer under Part V., Part VI., Part VII., or Part VIII. of this Act, shall be appealable to the Collector, provided that the appeal be presented within thirty days of the date on which the canal-officer made the order appealed against; and no appeal shall lie against any proceeding or order of the Collector under this Act, except as otherwise expressly provided in this Act, but all such proceedings and orders shall be subject to the supervision and control of the Commissioner of the division and of the Board of Revenue, who may pass such order thereon as they may respectively think fit.

92. Any officer empowered under this Act to conduct any enquiry may exercise all such powers connected with the examining witnesses, summoning and examining of witnesses as are conferred on Civil Courts by the Code of Civil Procedure; and every such enquiry shall be deemed a judicial proceeding.

PART IX.

Provided that sections 110 to 118 (both inclusive) shall, as far as may be practicable, be applicable to such valuation or measurement and assessment, and to the assessment-book or books in which it is contained.

122. If the bill is not paid by the person liable to pay the same within seven days from the presentation thereof, the Commissioners may cause to be served upon such person a notice of demand in the form contained in the fourth schedule, or to the like effect ; and if he shall not, within seven days from the service of such notice of demand, pay the sum due, or shew sufficient cause to the satisfaction of the Commissioners for non-payment of the same, such sum, with all costs, may be levied by distress and sale of the moveable property of the defaulter, or if the defaulter be the occupier of any house or land in respect of which a

Such fee shall be added to the amount of the rate in respect of which the notice is given, and, if not duly paid, shall be levied in the same manner as such rate may be levied

123. The officer charged with the execution of a warrant of distress under the last preceding section shall make an inventory of the moveable property seized under such warrant, and shall at the time give a notice in writing in the form contained in the sixth schedule, or to the like effect, to the person in possession thereof at the time of the seizure, that the said moveable property will be sold as therein mentioned

124. If the warrant is not in the meantime discharged or suspended by the Commissioners, the moveable property seized shall be sold under the orders of the Commissioners, who shall apply the proceeds, or such part thereof as may be necessary, in discharge of the said arrears and costs,

and the surplus (if any) shall be returned on demand to the person in possession of the moveable property at the time of the seizure

All sales of property under this section shall so far as may be practicable, be regulated by the procedure now in force, or hereafter to be in force, in the Court of Small Causes with respect to sale after distress.

Fees shall be payable upon distrainments under this Act according to the rates set forth in the table of fees in the sixth schedule

All officers and servants of the Corporation are prohibited from purchasing any property at any such sale

125. The moveable property of any person from whom any rate is due may be distrained, wherever the same may be found, for default in payment of the money due from him

126. If the sum due on account of any rate from the owner of any house or land remains unpaid after notice of demand has been duly served, the Commissioners may demand the amount from the occupier for the time being of the house or land, and, on non-payment thereof, may recover the same by distress and sale of any moveable property found on the house or land and, in such case, the occupier may deduct, from the next and following payments of his rent, the amount which may be so paid by, or recovered from, him

Provided that no arrear of rate which has remained due from the owner of any house or land for more than one year shall be so recovered from the occupier thereof

127. No distress levied under this Act shall be deemed unlawful, nor shall any party making the same be deemed a trespasser, on account of any defect or want of form in the notice, schedule, summons, notice of demand, warrant of distress, inventory or other proceeding relating thereto, nor shall such party be deemed a trespasser on account of any irregularity committed by him; but

all persons aggrieved by such irregularity may recover full satisfaction for any special damage sustained by them in any Court of competent jurisdiction.

128. Instead of proceeding by distress and sale, or in case of failure to realize by distress and sale the whole or any part of the sum due in respect of any rate, the Commissioners may sue the person liable to pay the same in any Court of competent jurisdiction.

CHAPTER VII.

OF THE WATER-SUPPLY.

129. The Commissioners shall provide a supply of water within the town, and shall, for that purpose, cause such mains and pipes to be laid, and such tanks, reservoirs, or other works to be made and constructed, as shall be necessary for the supply of filtered water in all the chief public streets of the town, and shall also erect, in all such streets, sufficient and convenient stand-pipes or pumps for the gratuitous use of the inhabitants of the town for domestic purposes.

The said stand-pipes or pumps shall be so placed that there shall not be any portion of any such chief street at a greater distance than one hundred and fifty yards from some such stand-pipe or pump.

130. A supply of water for domestic purposes shall not include a supply of water for animals, or for washing carriages, or where such animals or carriages are kept for sale or hire, or a supply for any trade, manufacture, or business, or for fountains, or for watering gardens or roads, or for any ornamental or mechanical purpose.

131. The Commissioners shall, between the hours of six in the forenoon and nine in the afternoon, so far as may be reasonably practicable, keep and maintain in their pipes and mains a sufficient supply of filtered water under a pressure of not less than ten feet for the domestic use of the rate-payers, and shall daily, from the hour of seven in the forenoon to nine in the forenoon, and from the hour of five in the afternoon to six in the afternoon, maintain a pressure of water in the service-pipes and mains sufficient to raise the water in all houses and places in which the same may be introduced to a height of not less than fifty feet.

132. The Commissioners may supply water through a meter for purposes other than domestic purposes, provided that the person requiring such supply make application to the Commissioners in writing, specifying the purpose for which such supply is required, and the quantity likely to be consumed.

The Commissioners may thereupon, subject to such charges or rates as may have been fixed by the Commissioners in meeting, other than an ordinary meeting, lay down, or allow to be laid down, the necessary communication-pipes and works, of such dimensions and character as may be fixed by the Commissioners.

133. The occupier of every house shall be entitled to have, free of further charge, fifteen hundred gallons of filtered water for every rupee paid to the Commissioners as water-rate on account of such house, to be supplied from the service-pipes of the Commissioners for domestic use through a ferrule of such size as the Commissioners may determine.

1876.
Act 4.

If the Commissioners have reason to believe that the occupier of any house consumes more filtered water than he is entitled to as aforesaid, it shall be lawful for the Commissioners to provide a water-meter at their own expense, and attach the same to the water-pipes of the said house; and any water which may be used over and above the quantity to which the occupier is entitled as aforesaid shall be paid for by him at the rate of one rupee for every fifteen hundred gallons:

Provided that no charge shall be made by the Commissioners for unfiltered water supplied under the next succeeding section.

Nothing contained in the first clause of this section shall apply to houses assessed at less than twelve hundred rupees per annum.

134. It shall be at the option of the Commissioners to provide filtered or unfiltered water for all latrines and water-closets, and wherever filtered water has been already supplied to such latrines or water closets, it shall be lawful for the Commissioners, at their own expense, and not otherwise, to stop the supply of filtered water, and in lieu thereof to provide unfiltered water for such latrines and water closets.

135. All latrines and water closets now supplied, or hereafter to be supplied, with water, filtered or unfiltered, shall be provided with a cistern of such size and description as the Commissioners shall direct; and all such cisterns shall be put up at the cost of the owner of the house or land so supplied with water.

136. Every person paying the water rate hereinbefore mentioned shall be entitled to lay down communication-pipes from the service-pipes of the Commissioners for bringing into his house or land a reasonable supply of water for domestic use; provided that the Commissioners shall be at liberty to cut off the supply of water to any house or land during the time the said house or land is unoccupied.

The communication-pipes leading the water from the service-pipes of the Commissioners into the house of any rate-payer, and the pipes and works within the house connected therewith, shall be of such character, dimensions, and material as the Commissioners shall fix and approve, and shall be made and constructed at the expense of the person requiring the same.

137. The communication-pipes and all fittings thereon leading water from the service-pipes of the Commissioners into any house or land, and the pipes, works, and fittings inside the house or land, must in all cases be executed subject to the inspection and to the satisfaction of the Commissioners.

Such communication-pipes, works, and fittings, may be made by the servants and workmen of the Commissioners upon such terms as may be agreed upon between the Commissioners and the person requiring the supply, or subject to such charges as may be fixed by the Commissioners;

and the Commissioners may require the amount necessary for the execution of such works to be paid or deposited before such works are executed;

and such charges and expenses shall be recoverable in the same manner as the water-rate.

138. The officer authorized in that behalf by the Commissioners may, between the hours of seven in the forenoon and five in the afternoon, enter into or on any house

and if such officer at any such time be refused admittance into such house or land for the purposes aforesaid, or be prevented from making such examination as aforesaid, the Commissioners may forthwith turn-off the water from such house or land :

Provided that nothing hereinbefore contained shall authorize an entry into any room appropriated for the *zanáná* or residence of women, which by the custom of the country is considered private, unless a notice in writing of not less than four hours be given.

139. In the event of any pipes, works, or fittings connected with the

supply of water to any house or land being at any time found on examination by any officer of the Commissioners may turn-off water.

Commissioners authorized in that behalf to be out of repair to such an extent as to cause any waste of water, the Commissioners may cause the water to be turned-off from such house or land, after giving notice in writing of not less than twenty-four hours, and may recover the expense incurred for turning-off the water from the occupier of such house or land.

Act 6.

[RECEIVED L-G.'s ASSENT 21ST APRIL, AND G.-G.'s 10TH JULY.]

An Act to provide for inquiry into Disputes regarding Rent, and to prevent Agrarian Disturbances.

FOR the purpose of providing for inquiry into disputes regarding rent and of preventing agrarian disturbances ; It is enacted as follows :—

Short title. 1. This Act may be called the “Agrarian Disputes’ Act, 1876.”

Local extent. It extends to all the territories for the time being subject to the Lieutenant-Governor of Bengal.

Commencement. It shall come into force from the date on which it may be published in the *Calcutta Gazette* with the assent of the Governor-General, and shall continue in force for three years from such date.

Interpretation. 2. In this Act, unless there be something repugnant in the subject or context—

“Lieutenant-Governor” means the Lieutenant-Governor of Bengal, or the person acting in that capacity ;

“Board” means the Board of Revenue for the provinces for the time being subject to the Lieutenant-Governor of Bengal .

“Commissioner” means the Commissioner of a division, and includes any officer whom the Lieutenant Governor may vest (as he is hereby empowered to do) with all or any of the powers of a Commissioner under this Act ;

“the Collector” means the officer appointed to make the inquiry under this Act ;

“section” means a section of this Act.

3. If it shall appear to the Lieutenant Governor that a serious dispute exists in any tract of country as to any question of rent, or as to any question in respect of the adjustment of rents, or as to any question in respect of the arrears of rents,

and if application shall be made to the Lieutenant Governor by any person interested in such dispute praying that the Lieutenant-Governor do take action under the powers vested in him by this Act,

the Lieutenant-Governor may, by an order to be published in the *Calcutta Gazette*, declare the provisions of this Act to be in force in such tract, the boundaries of which shall be defined in the said order,

and may direct that inquiry be made for the determination of such dispute by the Collector of the district, or by such other officer as the Lieutenant-Governor may think fit to appoint in that behalf.

A copy of such order shall be published by being posted up at the Court of every Judge and Munsif, and at the office of every Collector and sub-divisional officer within whose jurisdiction, and at every police-station within the jurisdiction of which, the said tract or any part of it is situated, and in such one or more conspicuous places in the said tract as the Collector may direct.

From the date of the publication of the copy of such order in the office of the Collector of the district, this Act shall be deemed to be in force in such tract until the Lieutenant-Governor shall by notification declare that it is no longer there in force.

1870.

Act 6.

4. The Lieutenant-Governor may specially vest any officer with the powers of a Deputy Collector under this Act; and any officer so vested may exercise any of the powers, and discharge any of the functions, of the Collector under this Act (except in respect of appeals), which he may be required to exercise or to discharge by a general or special order of the Collector.

5. Whenever the Lieutenant-Governor shall have made an order under section 3, the Lieutenant-Governor shall also issue instructions specifying any matters of fact into which the Collector shall inquire, in accordance with the provisions of the said section; and on receipt of such instructions the Collector shall proceed to make the inquiry in accordance therewith.

6. Before proceeding to make such inquiry, the Collector shall publish a notification in the manner provided by clause 5 of section 3, stating the nature of the inquiry to be made, and calling upon all parties who may deem themselves interested therein to appear before him, either in person or by agent, for the purpose of making such representations and advancing such objections as to them may seem fit; and such representations and objections (if any) shall be duly heard and considered by the Collector.

7. For the purpose of such inquiry, the Collector shall have power to summon and enforce the attendance of parties and witnesses, to examine such parties and witnesses, and to compel the production of documents by the same means (as far as may be) and in the same manner as is provided in the case of a Court under the Code of Civil Procedure.*

8. After making the necessary inquiry, the Collector shall draw up a report stating the result of the inquiry, and his own opinion on each of the matters specified for inquiry under section 5, and shall publish a notice in his office stating that any person may take a copy of the said report for the purpose of advancing before the Commissioner any objections thereto which he may think fit, and that such objections must be filed in the office of the Commissioner, or in the office of the Collector for transmission to the Commissioner, within 15 days of the publication of the said notice.

9. The Collector shall forward such report and copies of any objections which may be filed in his office under the last preceding section to the Commissioner, and the Commissioner, after considering such objections, and causing any further inquiry to be made which he may think fit, shall submit the report of the Collector, with copies of the objections made thereto, and with his own opinion on each of the matters specified for inquiry under section 5, to the Board.

10. After considering the reports and objections submitted by the Commissioner under the last preceding section, the Board shall issue such instructions as to it shall seem fit, not being inconsistent with the provisions of this Act, in respect

to the determination of each of the matters specified for inquiry under section 5, and the Collector shall make an order determining each of the said matters in accordance with such instructions of the Board.

1876.
Act 6.

11. On receipt of such instructions, the Collector shall publish as his office a notice of such receipt, and from the date of the publication of such notice, and as long as this Act is in force in the tract mentioned in section 3, all suits of the nature of those specified in section 23 of Act X. of 1859, relating to such tract, shall be instituted before, and, except as hereinafter otherwise expressly provided, be cognizable by, the Collector, and by no other tribunal.

12. As soon as possible after publication of the notice mentioned in the last preceding section, the Collector shall send a copy thereof to every Court which had jurisdiction to entertain such suits immediately before the publication of the said notice.

13. In the disposal of such suits the Collector shall, as far as possible, follow the procedure prescribed in Act X. of 1859, and all powers exercised by a Collector under the said Act may be exercised by the Collector under this Act, provided that all such suits shall be decided by a reference to, and in accordance with, any order of the Collector determining a matter under section 10, in so far as such order may be applicable.

14. The Collector may, with the consent of the parties concerned, refer any such suit to arbitration, and the provisions of sections 506 to 522 (both inclusive) of the Code of Civil Procedure shall, as far as may be practicable, apply to such references.

15. Whenever in any suit instituted under the provisions of this Act it shall appear to the Collector that a raiyat having a right of occupancy is liable to enhancement of the rent previously paid by him on the ground that the value of the produce or the productive powers of the land held by him have been increased otherwise than by the agency or at the expense of the raiyat ;

or whenever in any such suit it shall appear to the Collector that such raiyat is entitled to claim an abatement of the rent previously paid by him on the ground that the value of the produce or the productive powers of the land held by him have been decreased by any cause beyond the powers of the said raiyat,

the Collector shall, if possible, fix the rate of rent payable by such raiyat, so that the rent previously paid by such raiyat shall bear to the rent so fixed the same proportion as the former value of the produce of the soil, calculated on an average of three or five years next before the date of the alleged rise or decrease in value, bears to the present value of such produce ;

but if in any such suit the Collector shall not be able to ascertain to his satisfaction the former value of the produce as required for the application of the above rule,

the Collector may, if he think proper so to do, determine the rate of rent payable by such raiyat according to any of the following methods :—

(a) by fixing the rent of the raiyat so that it shall represent such portion of the existing average gross value of the produce of the land held by him as the Collector shall consider fair and equitable with reference to the circumstances of each case ;

(b) by fixing the rent of the raiyat so that it shall represent such portion of the average nett profits of the land held by him (after deducting from the

Act 6.

average gross annual value of the produce of such lands such a sum as may be deemed proper on account of costs of production and disposal of such produce) as the Collector shall consider fair and equitable with reference to the circumstances of each case;

(c) by taking as the standard of comparison the rates which are generally paid in adjacent places by raiyats having no right of occupancy, or in such places as the Collector may select, for lands of similar description and having similar advantages; and by fixing the rates of rent to be paid by the raiyat having a right of occupancy at such percentage below the rent which would be paid for the same lands by raiyats having no right of occupancy as the Collector may consider fair and equitable with reference to the circumstances of each case.

16. In every suit under this Act of the nature of those specified in the first, second, third, and fourth clauses of section 23 of Act X. of 1859, any number of raiyats or other tenants may be sued, or may sue collectively, and it shall be no ground for dismissing or refusing to hear the application that such raiyats or other tenants are wrongly joined as plaintiffs or defendants, provided all such raiyats or tenants hold land in the same estate;

but no order shall be passed in such case unless the officer making such order is satisfied that all parties have had an opportunity to appear and make objection to any claims preferred against them;

and if at any time it shall appear to the Collector that the question between any two of the parties of whom one is so joined with others cannot conveniently be so jointly tried, the Collector may order a separate trial to be held.

17 Every order passed in any such case as is mentioned in the first clause of the last preceding section shall specify the extent to which each of the raiyats or other tenants named in the order shall be affected thereby.

18. Every decree of a Collector under this Act in any suit of the nature of those specified in the first clause of section 23 of Act X. of 1859 shall have effect, and the rates of rent determined by such decree shall be payable, from the beginning of the year in which such suit was instituted (such year being computed according to the era in force in the aforesaid tract), or from such later date as the Collector may fix; and the rates of rent so determined shall not be liable to abatement or enhancement for five years from the first day of the year in which the decree may have effect as provided in this section, or, in case any part of the tract is comprised within a temporarily-settled estate, until the conclusion of the period of the settlement with Government under which such estate is held, if such period expires before the lapse of five years as aforesaid:

Provided that, during the currency of the term for which the rent has been fixed as aforesaid, any person may bring a suit to enhance the rent of any raiyat or tenant whose rent has been so fixed, on the ground that the area of the raiyat's or tenant's holding has been increased by alluvion or otherwise, and on no other ground.

And any raiyat or tenant may, during the said period, bring a suit for abatement of his rent which has been so fixed, on the ground that the area of the land held by him has been diminished by diluvion or otherwise, and on no other ground.

1876.

Act 6.

19. Notwithstanding anything contained in this Act, if it shall appear to the Collector that any suit which is pending before him involves any question relating to the title of land or to some interest in land as between parties having conflicting claims thereto, or any other question which can more properly be decided by a Civil Court, or, in districts in which Act X. of 1859 is in force, by a Revenue Court under that Act, the Collector may transfer such suit to a Civil Court or Revenue Court (according to whether such Civil Court or such Revenue Court would have had jurisdiction in the matter if this Act had not been passed); and such Court shall thereupon proceed to deal with the suit as if this Act had not been passed, and as if the suit had originally been instituted before such Court.

20. If such suit involves a question of rent or any other question which the Collector may properly be settled by the Collector under this Act, as well as a question which may more properly be decided by such Civil Court or Revenue Court, the Collector may decide the former question under this Act before transferring the suit to such other Court; and such decision shall be subject to the provisions of this Act in respect of appeals, and the Civil Court or Revenue Court shall be bound to give the final decision in the suit in accordance with the decision of the Collector or of the appellate authority under this Act on such question, so far as such decision is applicable.

21. Every order and decree of a Collector under this Act may be enforced by the same means and in the same manner as if such order or decree were an order or decree to the same effect made under Act X. of 1859.

22. Notwithstanding that the Lieutenant-Governor may have issued a notification as provided in section 3 declaring this Act to be no longer in force in any tract, the Collector shall proceed to decide all suits pending before him on the date of issue of such notification as if no such notification had been issued; and in respect of all such suits and of all other matters and suits which may be pending before the Board, the Commissioner, or the Collector on the date of the issue of such notification, the said Board, Commissioner, and Collector, shall, until such matters or suits are finally decided or disposed of, exercise the same powers with respect thereto as if such notification had not been issued.

23. No suit to contest any order or judgment of any officer under the provisions of this Act shall be instituted before any Court or tribunal otherwise than as provided in this Act.

24. In the performance of their duties under this Act, the Deputy Collectors shall be subject to the general control and direction of the Collector, the Collector to the general control and direction of the Commissioner, and all officers to the general control and direction of the Board.

25. An appeal shall lie to the Collector against every order and judgment of a Deputy Collector under this Act, except as hereinafter otherwise provided; but no appeal shall lie against any order or judgment of the Collector under this Act except as hereinafter expressly provided.

1878.

Act 6.

25. In suits of the nature of those specified in clauses 2, 4, and 7 of section 23 of Act X. of 1859, when such suits have been tried and decided by the Collector, if the amount sued for, or the value of the property claimed, does not exceed 100 rupees, the judgment of the Collector shall be final and not open to revision or appeal, unless in any such suit a question of right to enhance or otherwise vary the rent of a raiyat or tenant, or any question relating to a title to land, or to some interest in land as between parties having conflicting claims thereto, has been determined by the judgment, in which case the judgment shall be open to appeal in the manner provided in section 29.

The provisions of section 154 of Act X. of 1859 shall apply to all suits in which the judgment of the Collector is final.

27. Notwithstanding anything contained in this Act, no appeal shall lie against any order declaring arrears of rent to be due, and directing that such arrears be paid, unless such appeal shall be accompanied by the certificate of the Collector that the amount of such arrears has been paid to the Collector; and on payment of such amount the Collector, if required so to do by the person making such payment, shall be bound to grant such certificate and to hold the amount in deposit until the appeal shall have been disposed of, or until the period for making such appeal shall have expired.

28. When any such suit as is mentioned in section 26, in which, if tried and decided by the Collector, the judgment of the Collector would be final, is tried and decided by a Deputy Collector, an appeal from the judgment of the Deputy Collector shall lie to the Collector, and the provisions of sections 157 to 159 (both inclusive) of the said Act X. of 1859 shall apply to such appeals.

29. In all suits other than those in which, when tried and decided by a Collector, the judgment of the Collector is final as aforesaid, or when tried and decided by a Deputy Collector, an appeal is allowed to the Collector, an appeal from the judgment of the Collector or Deputy Collector shall lie to the Commissioner, and the decision of the Commissioner shall be final, unless the amount or value in dispute exceed 5,000 rupees, in which case an appeal from the Commissioner's decision shall lie to the Board.

30. Every appeal against the order of a Deputy Collector shall be presented to the Collector within 15 days, and every appeal against the order of a Collector shall be presented to the Commissioner, or to the Collector for transmission to the Commissioner, within 30 days of the date of the order appealed against.

Every appeal against the order of a Commissioner shall be presented to the Board, or to the Commissioner for transmission to the Board, within 60 days of the date of the order appealed against.

Orders passed in appeal by a Commissioner or a Collector shall not be open to any further appeal, except as hereinbefore provided; but the Board or the Commissioner may at any time call for any case, and pass such orders thereon as they may think proper.

PART V

OF THE OPENING OF SEPARATE ACCOUNTS IN RESPECT OF SHARES

69. Notwithstanding anything contained in Act XI of 1859 (*an Act to improve the law relating to sales of land, &c.*), an account of share of applicant under Act XI. 1859 from the commencement of this Act no separate account shall be opened under the provisions of section 10 or of section 11 of the said Act in respect of the share of any applicant under the said sections otherwise than for a share corresponding with the character and extent of interest in the estate in respect of which such applicant is recorded as proprietor or manager under this Act.

70. When a proprietor of a joint estate, who is recorded as proprietor of an undivided interest held in common tenancy in any specific portion of the land of the estate, but not extending over the whole estate, desires to pay separately the share of the Government revenue which is due in respect of such interest, he may submit to the Collector a written application to that effect.

The application must contain a specification of the land in which he holds such undivided interest, and of the boundaries and extent thereof, together with a statement of the amount of Government-revenue heretofore paid on account of such undivided interest.

On the receipt of this application the Collector shall cause it to be published in the manner prescribed for publication of notice in section 10 of Act XI. of 1859.

In the event of no objection being urged by any recorded co-sharer within six weeks from the time of publication, the Collector shall open a separate account with the applicant, and shall credit separately to his share all payments made by him on account of it.

The date on which the Collector records his sanction to the opening of a separate account shall be held to be that from which the separate liabilities of the share of the applicant commence.

71. Section 12 of the said Act XI of 1859 shall apply to every application made under the last preceding section; and the effect and consequences of opening a separate account under the last preceding section shall be such and the same as are described in section 13 and in section 14 of Act XI. of 1859.

1874.
-
Act 7.

72. Whenever any share in respect of which a separate account has been opened by the Collector under section 10 or section 11 of the said Act XI. of 1859, or under section 70, shall no longer correspond with the character and extent of interest held in the estate by any one proprietor or manager, or jointly by two or more proprietors or managers, any proprietor or manager whose name is borne on the general register under this Act as proprietor or manager of any interest in the share in respect of which such separate account is open, may submit to the Collector a written application setting out the circumstances under which such share no longer corresponds with the extent of interest held in the estate by any recorded proprietor or manager, or jointly by two or more recorded proprietors or managers, and specifying the manner in which such share has become broken up and distributed among the proprietors of the estate, and praying that the separate account standing open in respect of such share shall be closed, and, if he so desire, praying that another separate account be opened in respect of any other share or shares which were wholly or partly included in the share in respect of which the previous separate account was open.

Illustration.

In a certain estate separate accounts have been opened under section 10 of Act XI. of 1859 for the 4 annas share of A, and also for the 5 annas share of B, the accounts of the remaining 7 annas share being kept jointly in the names of the remaining proprietors C, D, and E.

In course of time X has inherited A's 4 annas share, and also C's interest in the 7 annas share, which amounted to 3 annas; X has also acquired by purchase 2 annas out of B's 5 annas share, so that the interests in the estate are now distributed as follows:—

X	9 annas
B	3 „
D & E	4 „

X, if a recorded proprietor of the estate, may apply to the Collector to close the separate account which is open in respect of A's 4 annas share and also the separate account which is open in respect of B's 5 annas share, as neither of these shares corresponds with the extent of interest held by any one proprietor, or held jointly by two or more proprietors in the estate,

and in the same application X may apply for the opening of a separate account in respect of the 9 annas share which he now holds.

Any of the other proprietors might also make a similar application.

73. On receipt of such application the Collector shall cause a copy of the same to be published in the manner provided in section 10 of Act XI of 1859; and if, within six weeks from the date of such publication, no objection is made by any other recorded proprietor of the estate, the Collector shall close the separate account which then stands open, and shall open a separate account with the applicant as required by him, under section 10 or section 11 of Act XI of 1859, or under section 70, as the case may be.

74. If any recorded proprietor of the estate, whether the same be held in common tenancy or otherwise, object that the share in respect of which any separate account is open as aforesaid has not been broken up, and does still correspond with the character and extent of interest held by any one proprietor or manager, or jointly by two or more proprietors or managers,

or object that the applicant has no right to the share claimed by him, or that his interest in the estate is less or other than that claimed by him,

1876.

Act 7.

or (when the application is in respect of a specific portion of the land of an estate, or in respect of an undivided interest held in common tenancy in any specific portion of the land of the estate), object that the amount of Government-revenue stated by the applicant to have been heretofore paid on account of such portion of land, or on account of the applicant's undivided interest therein, is not the amount which has been recognized by the other sharers as the Government-revenue thereof,

the Collector shall refer the parties to the Civil Court, and shall suspend proceedings until the question at issue is judicially determined.

PART VI.

MISCELLANEOUS.

76. If in any district any register prescribed by this Act has not been prepared and kept up in the vernacular language and character of the district, the Collector shall be bound, together with any English extract which may be furnished under the last preceding section, to furnish a translation of the same in the vernacular language and written in the vernacular character of such district to any one who may demand such translation, and no further charge shall be made in respect of the furnishing of such translation than might have been charged in respect of the English extract furnished under the said section.

77. Whenever any change shall be made by order of competent authority in the names of the recorded proprietors or managers of any estate or revenue-free property, or in the character or extent of the interest of any such proprietor or manager as entered in any register mentioned in this Act, so soon as the order under which such change in the entry may have been made shall have been confirmed on appeal, or so soon as the period for presenting an appeal against such order shall have expired without the presentation of an appeal, the Collector shall cause a notice of such change to be posted up at his office, at the office of every sub-divisional officer within whose jurisdiction any lands of the estate or revenue-free property concerned are situated, and at such places as he may think fit on the estate or property; and every such notice shall set out the name of every proprietor and manager of the estate or revenue-free property concerned, and the character and extent of the interest of every such proprietor and manager as it stands recorded on the general register on the date of the issue of the notice.

78. No person shall be bound to pay rent to any person claiming such rent as proprietor or manager of an estate or revenue-free property in respect of which he is required by this Act to cause his name to be registered, or as mortgagee, unless the name of such claimant shall have been registered under this Act;

and no person being liable to pay rent to two or more such proprietors, managers, or mortgagees holding in common tenancy, shall be bound to pay to any one such proprietor, manager, or mortgagee more than the

amount which bears the same proportion to the whole of such rent as the extent of the interest in respect of which such proprietor, manager, or mortgagee is registered, bears to the entire estate or revenue-free property.

79. The receipt of any proprietor, manager, or mortgagee, whose name and the extent of whose interest is registered under this Act, shall afford full indemnity to any person paying rent to such proprietor, manager, or mortgagee.

80. Whenever any sum of money shall be payable by the Collector to the proprietors of any estate or revenue-free property jointly (otherwise than under the Land Acquisition Act, 1870), the Collector may pay to any one or more recorded proprietors or managers thereof respectively such portion of the said sum as may be proportionate to the extent of the interest in respect of which each such proprietor or manager is registered, and the receipt of each such proprietor or manager shall afford full indemnity to the Collector in respect of any sum so paid.

81. Nothing contained in the three last preceding sections shall be held to interfere with the conditions of any written contract, or to prevent any person deeming himself entitled to any sum of money from recovering such sum by due process of law from any other person who has received the same.

82. Every amount which may become due to the Collector under the provisions of this Act in respect of any expenses incurred, of any fees payable, of any notices served, of any costs payable by any party, or of any fines imposed, shall be deemed to be a demand.*

83. The Collector may by a notice require the proprietor or manager of any estate or revenue-free property to name such estate or property by a distinctive name, and, in case of failure of such proprietor or manager to comply with the requisition within the time fixed by the Collector, may name such estate or property.

84. Exception 4.—If any land be unoccupied, such amount as the Collector may determine, with reference to all the circumstances of the case, shall be deemed to be the rental of such land.

PART II.

OF THE RIGHT TO CLAIM PARTITION.

8. Except as hereinafter otherwise provided, every recorded proprietor

Who entitled to claim of a joint undivided estate, who is in actual possession of the interest in respect of which he is so recorded, is entitled to claim a partition of the said estate and the separation therefrom and assignment to him as a separate estate of lands representing the interest of which he is in such possession; provided that, and as far only as, such partition, separation, and assignment can be made in accordance with the provisions of this Act.

Any two or more such recorded proprietors may claim that lands representing the interests of all such claimants may be formed into one separate estate, to be held by them as a joint undivided estate; and every provision of this Act which applies to an applicant for partition shall apply to any two or more persons making such joint claim.

9. (a) If the interest of any recorded proprietor who is entitled to claim

Partition according to interest. partition as aforesaid is an undivided share in an estate held in common tenancy, such person shall be entitled to have assigned to him as his separate estate lands of which the assets shall bear the same proportion to the assets of the parent-estate as his undivided share in the parent-estate bears to the entire parent-estate.

(b) If the interest of such recorded proprietor is the proprietary right of certain specific mauzas or lands forming part of the parent-estate, and held by him in severalty, he shall be entitled to have assigned to him as his separate estate the said mauzas or lands.

(c) If the interest of such recorded proprietor consists of an undivided share held in common tenancy in certain specific mauzas or tracts forming part of the parent-estate, but not extending over the whole area of the parent-estate, he shall be entitled to have assigned to him as his separate estate lands situated within such specific mauzas or tracts, of which the assets shall bear the same proportion to the assets of such specific mauzas or tracts as his undivided share in such specific mauzas or tracts bears to the entire mauzas or tracts:

Provided that, if the interest of such recorded proprietor consists of such undivided share in more than one mauza or tract, he shall not be entitled to have lands assigned to him in every such mauza or tract, but the Collector may assign to him as his separate estate lands situated in any one or more of the said mauzas or tracts, provided that the assets of such lands are in proportion to the aggregate of the interests which he holds in all such mauzas or tracts.

(d) If such recorded proprietor holds in the parent-estate more than one of the kinds of interest specified in this section, lands shall be assigned to him as far as possible in accordance with the principles above laid down.

10. Notwithstanding anything hereinbefore contained, no person having a proprietary interest in an estate for the term of his life only shall be deemed to be a person entitled to claim partition under this Act. 1876. Act 8.

11. No application for the partition of a permanently-settled estate shall be admitted, and if the application shall have been admitted, no partition shall be carried out in accordance with such application, if the separate estate of any of the proprietors would be liable for an annual amount of land-revenue not exceeding one rupee, until the proprietor of such separate estate agrees to redeem the amount of revenue for which his estate would be liable, by payment of such sum as the Lieutenant-Governor may fix with reference to the circumstances of such estate.

12. Whenever a division of the lands of any estate has been made by private arrangement of the proprietors thereof, and in accordance with such arrangement each proprietor is in possession of separate lands held in severalty as representing his interest in the estate, no such estate shall be brought under partition, and no partition of such estate shall be made under this Act, otherwise than on a joint petition presented under section 101 or section 105 by all the proprietors thereof, unless such partition shall have been ordered to be made by a Civil Court.

13. The Collector may refuse to admit an application for the formation of lands held in severalty into a separate estate, if in consequence of such lands being intermingled with those held by other proprietors the result of the partition would be to form out of a compact estate one or more estates consisting of scattered parcels of land in such a way as, in the opinion of the Collector, to endanger the safety of the land-revenue, and the Collector may at any time refuse to proceed with a partition which would have such a result.

But a partition may be allowed in such a case if the recorded proprietors shall agree to such a distribution of land as shall make the estates formed by the partition reasonably compact.

Nothing in this section shall be understood to prohibit the partition into separate estates of a parent-estate which before such partition is not compact, and consists only of scattered parcels of land.

14. No proprietor who has alienated any portion of his interest in an estate, or in any specific lands of an estate, by private contract, with the condition that the transferee shall be liable in respect of the interest acquired by him to pay a specified amount or a specified share of the land-revenue for which the estate is liable (such amount or share being other than the proportionate amount or the proportionate share for which such transferred interest, if formed into a separate estate, would be liable under the provisions of section 6);

and no proprietor who derived his title from any proprietor who has made any alienation as aforesaid, shall be entitled to claim a separation under this Act of the interest which he continues to hold in the estate;

and no such transferee as aforesaid, and no person deriving his title from such transferee, shall be entitled to claim a separation of the interest which has been so acquired;

1876.

Act 8.

Provided that a separation of such interests may be made if the parties concerned agree to waive the conditions of the contract as regards the proportion of revenue for which the transferor and transferee or their representatives respectively are liable, and to hold the estates which may be allotted to them respectively by the partition subject to the payment of such amount of land revenue as may be assessed upon them respectively by the Revenue authorities under this Act

15 Notwithstanding that a parent estate may have been declared to be under partition as provided in section 31, any arrears of revenue may be realized by sale of part of the parent estate before the date specified in the notice issued under section 123 may be realized by sale of the parent estate as if such estate had not been declared to be under partition, and if such sale takes place, the partition proceedings shall cease from the date thereof

16 Nothing contained in the last preceding section shall be deemed to protect all of the provisions of section 10, 11, 12, 13 or from liability for arrears of revenue accruing due on such estate under laws in force relating to sales of lands for arrears of revenue, or any provisions of any similar law for the time being in force in respect to the opening of separate accounts for different shares in an estate, and the protection afforded to such shares thereby

Provided that, if any share in any estate is sold for its own arrears of revenue while such estate is under partition in accordance with the provisions of this Act, such share shall be sold subject to the partition proceedings, which shall proceed as if no such sale had taken place and the purchaser of the share sold may from the date of such sale exercise all the rights which the proprietor of such share has purchased might have exercised, and shall be subject to all the liabilities to which such proprietor would have been subject in respect of the partition proceedings

 - (e) appointing a Deputy Collector under the next succeeding section to carry out the partition,
- shall be passed by the Collector, and not by any Deputy Collector.

34. As soon as the Collector has declared an estate to be under partition as provided in section 31, he may appoint a Deputy Collector to carry out the partition, and all or any of the proceedings necessary thereto.

35. If, at any time after an order shall have been passed for making a partition, all the recorded proprietors of the estate shall present a petition to the effect that they do not wish the partition to proceed, the Collector may, on the report of the Deputy Collector or otherwise, strike the partition-case off the file on payment by the proprietors of all costs and expenses incurred in and

about such partition, and any such costs and expenses which shall not already have been levied as provided in section 39 or section 40 shall be levied in proportion to the shares of the respective proprietors

1876.

Act 8.

36 If, at any time after an order shall have been passed for making a partition, it shall appear from information which was not before the Collector at the time the partition was ordered, or otherwise, that any sufficient reason exists why the partition should not be proceeded with, the Commissioner may, on the report of the Collector or otherwise, after issuing a notice calling on the persons interested to show cause why the partition should not be struck off the file, and, after considering any objections which may be made, order the partition case to be struck off the file

and in such case any costs and expenses of the partition which shall not already have been levied as provided in section 39 or section 40 shall be levied in proportion to the shares of the respective proprietors

PART IV

OF ESTABLISHMENTS FOR EFFECTING PARTITIONS AND OF THE COST THEREOF

37 For the purposes of this Act, the Deputy Collector may, with the approval of the Collector, and subject to any rules made in that behalf by the Board, appoint such establishments as may be required—

for making the measurement and survey of lands,
for ascertaining and recording the rates of rent
for making any other local enquiries,
for the preparation of the papers, and
for other matters in each case,

and the Collector may appoint such peshkars or other superior officers as may be required to test the work of the amins, and for the performance of similar duties

provided that the scale of remuneration of such officers, and the time for which they shall be employed, shall be sanctioned by the Commissioner

38 In any district or division in which partitions may be so numerous or so extensive as to render necessary the appointment of special establishments in the office of the Collector or of the Commissioner, the Collector and the Commissioner may, with the sanction of the Board, appoint such establishments

39. As soon as possible after an estate has been declared to be under partition as provided in section 31, the cost of making the partition shall be estimated, and the amount shall be levied from the proprietors in such instalments and at such times during the progress of the partition as may be fixed in accordance with any rules which the Board may make in that behalf

If the amount first estimated is found insufficient, supplementary estimates may be made from time to time, and the required amount may be levied as above provided

40. The cost shall be apportioned on the proprietors of each share in proportion to their shares; but whenever it shall appear to the Commissioner that the partition-proceedings have been unnecessarily delayed, and the cost of the partition

1876

Act 8

enhanced by obstacles vexatiously put in the way of their completion by one or more of the proprietors, or by want of due diligence on the part of one or more of the proprietors in carrying out any requisitions made upon him or them, the Commissioner may direct that such portion of the cost as he may think proper in excess of the amount proportionate to his or their share shall be levied from such proprietor or proprietors.

41. Whenever any local enquiry may be held by the Deputy Collector or any other officer, in consequence of an objection raised by any person to any record of measurements, rent-rolls, or other information which has been laid before the Deputy Collector, the Deputy Collector may declare the cost which has been incurred by such enquiry, and may direct that the entire cost so declared shall be paid by the person making the objection or by any one of the proprietors, or that such cost shall be paid in such proportions as he shall think fit by the said person and the proprietors or any of them, or that such cost be deemed a part of the general cost of making a partition as prescribed in section 39.

After completion of partition, Collector to declare total cost.

42. Upon the completion of the partition, the Collector shall make an order declaring the total cost thereof.

The account shall then be adjusted, either by returning to the proprietors any sums which they may have paid in excess of the total cost, or by paying from them in the manner provided in section 138, if necessary, any sums remaining due.

43. Whenever it shall appear to the Lieutenant-Governor that in any district the work required to be done by Deputy Collectors in connection with partitions under this Act is so great that such work would, if concentrated in the hands of one or more Deputy Collectors, fully occupy the time of such one or more Deputy Collectors, the Lieutenant-Governor may make an order directing that the salary of such one or more Deputy Collectors, as the case may be, shall be recovered from the proprietors of estates under partition in such district as part of the cost of such partitions, and thereupon such charge as the Collector may think fit to make in respect of such salary shall, in addition to the items mentioned in the last preceding section, be deemed to be a portion of the costs of every partition.

For the purposes of this section the salary of every Deputy Collector shall be deemed to be the amount of salary which is drawn by a Deputy Collector of the lowest grade.

Costs leviable from proprietors.

44. For the purposes of sections 39, 40, and 42, the costs of any partition shall be deemed to be

(a) the cost of any establishments entertained for the partition under section 37, or such amount as the Collector may think proper in respect of the services of any such establishments which are entertained for the purposes of making partitions in the district;

(b) all contingent expenses incurred in and about the partition, and

(c) such portion of the cost of any establishment entertained under section 38 as the Collector may order.

45. Notwithstanding anything contained in the eight last preceding sections, the Lieutenant-Governor may direct that in any district a fund to be called the "Estate Partition Fund" shall be formed, into which all

sums levied from the proprietors of estates in respect of partitions of their estates shall be paid 1876.
Act 8.

Whenever such a fund shall have been established in any district, all expenses of making partitions of estates in such district shall, except as hereinafter otherwise provided, be defrayed from such fund

46. Whenever the Lieutenant-Governor shall have ordered an "Estates' Partition Fund" to be formed in any district, the charges leviable from the proprietors of any estate under partition may be estimated and levied according to the estimate in each case as provided in sections 39 and 40, subject to final adjustment as provided in section 42, or they may be levied according to a general scale of fees to be fixed by the Board

47 Such scale of fees shall be fixed as nearly as may be, so that the receipts and expenditure of the said fund shall balance one another, and shall be revised from time to time by the Board for that purpose

Such fees shall be levied from the proprietors in such instalments and at such times during the progress of the partition as may be fixed in accordance with any rules which the Board may make in that behalf, and the provisions of section 40 shall be applicable to such fees

48 An abstract of the Estates' Partition Fund of each district, made up to the end of each year shall be published in the *Calcutta Gazette* and by being posted up at the office of the Collector of the district

49 For the purposes of sections 45, 46, and 47, the expenses of making partitions in any district shall be deemed to be

- (a) the cost of all establishments entertained in the district under section 37,
- (b) all contingent expenses incurred in all partitions in the district,
- (c) the cost of any special establishment appointed in the office of the Collector under section 38,
- (d) such portion as the Commissioner may deduct of the cost of any special establishment appointed in his office under section 38,
- (e) the salary of any one or more Deputy Collectors which the Lieutenant-Governor may have ordered under section 43 to be recovered from the proprietors of estates under partition

50 Whenever any Civil Court shall make a decree awarding or declaring any proprietary right in an estate, and shall require the Collector to make a partition of the estate, such Court may at the same time direct that the party or parties who may have withheld the right so decreed shall defray the whole of the expense which may be incurred in and about the partition, or the whole of the fees payable in respect of the partition under section 46,

or that the said expenses or fees shall be defrayed by all or any of the parties to the suit in which the decree was made in such proportions as the Court may, from a consideration of the particular circumstances of the case, deem equitable.

Copies of all orders which the Court may pass under this section shall be transmitted to the Collector for his guidance, together with the precept which the Court may issue to him requiring him to divide the estate, and the Collector shall levy the said expenses and fees from the parties in the

1876. proportion ordered by such Court in the same manner and by the same means
 Act 8. as if the levy of such expenses and fees had been ordered by the Collector.

PART V.

OF THE PARTITION-PROCEEDINGS UP TO THE ADOPTION OF A RENT-ROLL
AND MEASUREMENT-PAPERS.

51. As soon as the Collector shall have made an order under section 31 declaring an estate to be under partition, the Deputy Collector shall cause a notification to be published in the manner prescribed by section 134, and shall also cause copies thereof to be posted up at the Court of the Judge of the district in which any lands appertaining to the parent-estate are known to be situated, and at the Court of every Munsif and of every Sub-divisional Officer within the jurisdiction of whom, and at every police-station within the jurisdiction of which, any such lands are known to be situated, intimating his intention to proceed with the partition, and requiring all the proprietors of the estate to produce before a certain date, being not less than forty days from the date of such notification, either jointly or separately, copies of their rent-rolls and statements of the rents collected during each of the three years next preceding, and also copies of any measurement-papers of the estate which may be in their possession.

A notice to the same effect shall also be served as provided in section 135 on each proprietor of the parent-estate.

The Deputy Collector may, on sufficient grounds for so doing being shown to his satisfaction, from time to time extend the period for producing any such return.

52. Every rent-roll, statement of rents collected, and measurement-paper furnished to the Collector under this Act, shall be presented by the person who is required to produce the same or by a duly authorized agent of such person who has a personal knowledge of the facts stated therein, and shall be subscribed and verified at the foot by such person or such agent in the manner following, or to the like effect:—

"I, A. B., do declare that this rent-roll (statement or measurement-paper) is correct to the best of any knowledge and belief."

If the rent-roll, statement, or measurement-paper, shall contain any entry which the person making the verification shall know or believe to be false, or shall not believe to be true, such person shall be subject to punishment according to the law for the time being in force for the punishment of giving or fabricating false evidence.

53. If any proprietor who is required to produce any rent-roll or statement by notice as aforesaid is unable to produce such rent-roll or statement, he shall state to the Deputy Collector the cause thereof and the name and address of the person who has in his possession the information necessary for the preparation of such rent-roll and statement, and the Deputy Collector may, if he shall think fit, require such person to produce such rent-roll and statement.

54. The Deputy Collector may, if necessary, make, or may cause to be made, a measurement of all or any of the lands comprised in the estate, and may prepare or cause to be prepared a rent-roll, and may test or cause to be

tested on the spot any rent-roll which has been produced as aforesaid, and may make or cause to be made any local enquiry which he may consider necessary.

55. Before proceeding or deputing the amín to the spot, the Deputy

Deputy Collector to summon proprietors by proclamation to attend proceedings.

Collector shall publish a notification in the manner prescribed by section 134, requiring the several proprietors of the estate, their managers, and any other persons employed in the management of the

land, or otherwise interested therein, to attend in person or by agent upon him, or upon the amín who is deputed to make the measurement or enquiry, for the purpose of pointing out boundaries and of affording such assistance and information as may be required for the purposes of this Act.

56. The Deputy Collector, and any amín or other person who is specially

Deputy Collector and amín may require attendance of proprietor or other person.

authorized in that behalf by the Collector, may, by a notice served as provided in section 135, require any proprietor or other person whose attendance may be required to attend before the Deputy

Collector or amín who is making such measurement or enquiry within a specified time at any place for any of the purposes aforesaid.

57. If any objection be made to a measurement, map, or rent-roll pre-

Deputy Collector to test amín's work.

pared by the amín, or if, for any other reason, it seems desirable, the Deputy Collector shall, as soon as possible after completion of the amín's work, himself test, or shall cause to be tested on the spot, such measurement, map, and rent-roll, and may accept, amend, or reject the same, or any of them.

If the Deputy Collector shall deem it necessary, he may cause the work, or any portion thereof, to be done again.

58. The Deputy Collector may examine any person on solemn affirma-

Examination of parties and their papers.

tion in regard to the papers produced before him, whether by the proprietors, by the amín, or otherwise, and shall allow the parties concerned to put any necessary questions to such person.

The Deputy Collector shall also allow any proprietor or other person interested to examine the papers so produced, and to take a copy of the same, and, after such examination, shall hear any objections which any of the persons interested may make in respect of such papers, and shall decide whether any, and (if any) which, of the papers as they stand, or with such modifications as he may think necessary, shall be accepted as correct for the purposes of the partition.

59. If any proprietor who has been required to produce a rent-roll or

Power of Deputy Collector if proprietor fails to file rent-roll.

statement under section 51 fails to produce the same after the imposition on him of a fine under section 137 for thirty days, or fails to state to the

Deputy Collector the name and address of any person under section 53, the Deputy Collector may declare that the said proprietor shall, for the purposes of the partition, be bound by such rent-roll as the Deputy Collector may adopt as the basis of the partition as hereinafter provided, and after such declaration any officer exercising authority under this Act may refuse to entertain any objection which such proprietor may make to such rent-roll.

60. If any person who has been required to produce a rent-roll or

Power of Deputy Collector if person fails to produce rent-roll.

statement under section 53 shall fail to produce the same after the imposition on him of a fine under section 137 for thirty days, the Deputy

187d. Collector may declare that the proprietor who may have stated the name of such person under section 53 shall, for the purposes of the partition, be bound by the rent roll which the Deputy Collector may adopt for the basis of the partition as hereinafter provided, and after such declaration any officer exercising authority under this Act may refuse to entertain any objection which such proprietor may make to such rent roll.

Act 2.

61 Notwithstanding anything contained in this Act, if it shall appear to the Deputy Collector that any measurement, maps, rent rolls, or other papers relating to the estate, which have been prepared otherwise than for the purposes of the partition, or otherwise than for the purposes of this Act, afford information sufficiently trustworthy to enable him to effect the partition, the Deputy Collector may adopt such information and such papers either wholly or in part for the purposes of the partition, and may dispense with any rent rolls, maps, or other papers for which he is authorized to call, or which an applicant is required to produce, under this Act

62 No proprietor or other person, who shall have failed to attend in person or by agent during the measurement as required by the notification published under section 55, shall be entitled at any subsequent time to make any objection to such measurement,

but the Collector may admit any objection made by such proprietor or person if he think fit, provided that any expense entailed by a local enquiry made in consequence of such subsequent objection shall be paid entirely by such proprietor or person

63 When the Deputy Collector is finally satisfied that the papers before him, whether rent rolls, measurement papers, maps, or other papers, are sufficient and sufficiently correct to be accepted or adopted for the purposes of the partition, he shall make an order to that effect, and shall fix a day on which to determine the general arrangement of the partition, and shall publish a notification in the manner prescribed by section 134, calling on all the proprietors to be present on the day so fixed, such day being not less than thirty or more than sixty days after the publication of the notification in his office, and shall serve a notice to the same effect on each proprietor or his agent

PART VI

OF PARTITION BY AMICABLE ARRANGEMENT OR BY ARBITRATION.

64 On the date fixed under the last preceding section, if a petition to that effect, signed by all the recorded proprietors, shall have been presented, the Deputy Collector may allow such proprietors to make a private partition of the estate amongst themselves on the basis of the papers which have been accepted or adopted for the purposes of the partition by the Deputy Collector, or may refer the partition to be made by an arbitrator or arbitrators on such basis.

If the proprietors who have elected to make such private partition shall fail to make the same within such time as may be fixed by the Deputy Collector, the Deputy Collector may refer the partition to be made by an arbitrator or arbitrators, or may make the partition himself.

1876.

Act 8.

65. Whenever any partition shall have been referred to arbitration, the proceedings shall be conducted in accordance with the provisions of sections 506 to 522 (both inclusive) of the Code of Civil Procedure as far as those provisions are applicable, and except as herein otherwise expressly provided.

66. The arbitrators shall deliver, within a time to be fixed by the Deputy Collector, which time may be further extended by him, a full and complete paper of partition, in such form as may be prescribed by the Board for partitions made by the Collector or Deputy Collector.

67. The arbitrators, on delivering the paper of partition as aforesaid, shall be entitled to reasonable fees for their services, the amount of which shall be fixed, with the approval of the Commissioner, by the officer making the reference to arbitration, and shall be considered to form part of the cost of making the partition.

68. Every partition made under the provisions of this Part by the parties, or by arbitrators appointed by them, shall be subject to the approval of the Deputy Collector and to the confirmation of the Collector and the orders of the superior Revenue-authorities ;

provided that neither the Deputy Collector nor any other authority shall disallow any partition so made on any other ground than that of fraud, or that, in the opinion of the Deputy Collector or such other authority, the partition cannot be confirmed without endangering the safety of the land-revenue.

69. Whenever a partition has been made under the provisions of this Part, the land-revenue shall be assessed by the Collector on each separate estate into which the parent-estate is divided by such partition in the manner prescribed by section 6.

70. If the paper of partition be not delivered within the time fixed by the Deputy Collector, or within any further period to which the time may have been extended, the Deputy Collector may withdraw the case from arbitration, and may make the partition himself.

PART VII.

OF THE PROCEDURE FROM DETERMINATION OF THE GENERAL ARRANGEMENT OF THE PARTITION BY THE DEPUTY COLLECTOR TO THE APPROVAL OF THE PARTITION BY THE COLLECTOR.

71. If no petition shall have been presented under section 64, the Deputy Collector shall, on the date fixed under section 63, or on any other date to which the hearing may have been postponed by a notice posted at the office of the Deputy Collector, consult orally each proprietor present, and endeavour, as far as possible, with the concurrence of the proprietors present, to settle a general arrangement of the partition in accordance with the requirements of this Act. For this purpose he shall endeavour to obtain from each proprietor an acknowledgment of his acceptance of the rent-roll, map, and any other papers which have been adopted by the Deputy Collector for the purposes

1876.

Act 8.

of the partition, and shall briefly record the objections of any proprietor who still objects to accept such rent-roll, map, or other papers.

72. If, in consequence of any objections made before the Deputy Collector has settled the general arrangement of the partition as provided in the last preceding section, the Deputy Collector considers it necessary to make further enquiry, he may, by notice to the recorded proprietors, postpone the settlement of the general arrangement of the partition to a date being not less than fifteen days from the service of the notice on any proprietor.

73. If the objections on account of which the said settlement is postponed are such that the person making the same might have made them on an earlier day, the Deputy Collector may award to each proprietor, who shall have attended in person or by agent in accordance with the notice, such sum, not exceeding sixteen rupees, as he shall think fit, by way of compensation for such attendance.

The sum so awarded shall be paid by the person making the objections as aforesaid, and may be recovered from him in the manner provided by section 138.

74. If the objections have already been enquired into and disposed of, or are such as not to render necessary any further enquiry and postponement, or when any objections which may require further enquiry have been disposed of, the Deputy Collector shall record an order to that effect, and, after hearing what each proprietor present may urge, shall hold a proceeding determining the general arrangement of the partition and the mode in which the parent-estate shall be divided, and, in a general way, the position of the lands which shall be assigned to each of the separate estates.

In determining the general arrangement of the partition, the Deputy Collector shall be guided by the rules which are laid down in Part VIII., and shall direct the partition to be made in the manner which, in his opinion, is, on the whole, most in accordance with such rules, and most equitable and most convenient to all parties concerned.

75. The general arrangement of the partition, as determined under the last preceding section, shall be submitted for the sanction of the Collector, who shall, by notice, fix a date for the consideration of the same, not being less than fifteen days after the publication of the said notice in his office, and, after hearing and disposing of any objection which may be preferred, shall pass such orders as he may think proper, setting aside, amending, or approving the general arrangement made by the Deputy Collector.

76. When the general arrangement has been approved by the Collector, the Deputy Collector shall proceed to fix the exact boundaries of each separate estate after considering the wishes which the parties may express in respect thereof.

77. When the Deputy Collector shall have so determined the boundaries, he shall cause to be drawn up a paper of partition, specifying in detail the villages and lands which he has included in each of the separate estates, the rental thereof, with any other assets of each separate estate, the names of the recorded proprietor or proprietors of each separate estate, any

stipulations which may have been made regarding places of worship, tanks, or other matters as mentioned in Part VIII., and the amount of land revenue to be assessed on each separate estate;

1876.
Act 8.

he shall also prepare a map showing the lands which fall within each separate estate and the boundaries thereof, unless the preparation of such map shall be dispensed with by special permission of the Collector.

78. The Deputy Collector shall submit the partition-paper and map as Deputy Collector to sub- aforesaid and all other papers of the partition to mit papers to Collector the Collector with a full report of the proceedings taken, the reasons which influenced the Deputy Collector in selecting the lands included in each separate estate, the nature of the accounts upon which the apportionment of the land revenue assessed thereon has been based, and all other particulars material to the case.

Deputy Collector to pro- **79** The Deputy Collector shall, at the same pare extracts of partition- time, cause to be prepared a separate extract of papers for each proprietor. the portion of the partition-paper which relates to each separate estate,

and shall cause to be tendered to any recorded proprietor of a separate estate, or any authorized agent of such proprietor, who may be in attendance at the Deputy Collector's office, the extract which relates to such separate estate;

and the Deputy Collector shall publish a notice at his office, calling upon every proprietor to whom, or to whose agent, an extract from the partition-paper has not been tendered as above mentioned, to take out of the Deputy Collector's office the extract of the portion of the partition-paper relating to his separate estate.

If the circumstances of the partition so require, an extract of the map prepared by the Deputy Collector, or a copy of such map, shall be annexed to every separate extract from the partition paper herein mentioned.

80. On receipt of the papers and report mentioned in section 78, the Collector shall cause a notification to be published in the manner prescribed by section 134, fixing a date, not being less than six weeks from the date of the publication of such notification on the parent-estate, on which he will proceed to take up the case, and to consider any representations and objections which may be preferred in respect of the partition made by the Deputy Collector, and calling on all parties concerned, who may wish to do so, to inspect the papers at his office before such date, and to take copies of any such papers as they may require.

The Collector shall also cause a notice to the same effect to be served on each of the recorded proprietors.

81. On the date so fixed, or on any other date to which the hearing may have been postponed, the Collector shall take into consideration the papers as laid before him, and, after calling for any further information which he may deem necessary, and disposing of any objections which shall be made to the proposed partition and allotment of land-revenue, may approve the partition as made by the Deputy Collector with such amendments as he may think proper, or return it for amendment to the Deputy Collector who made it, or to another Deputy Collector, or make a fresh partition himself.

The Collector may return the said papers for amendment or enquiry as often as he may think fit.

1876.

Act 8.

82. No proprietor who shall have failed to appear before the Deputy Collector in person or by agent on any date fixed for the arrangement of the partition under section 63 or section 72, and no proprietor who shall have failed so to appear before the Collector on any date fixed under either of the two last preceding sections, shall be entitled, at any subsequent time, to make any objection to the orders which may be passed on such dates respectively.

83. When the Collector approves the partition made by the Deputy Collector with amendments, he may cause a fresh partition-paper and map to be prepared, or may cause the amendments made by him to be noted on the paper and map submitted by the Deputy Collector.

When the Collector makes a fresh partition himself, he shall cause a fresh partition-paper and map to be prepared.

84. Whenever the Collector shall have approved a partition (whether with or without amendments), he shall cause a notice to be served on each of the recorded proprietors that the papers will be submitted at once for confirmation of the partition by the Commissioner, and that any appeals or objections must be presented to the Commissioner, or to the Collector for transmission to the Commissioner, within thirty days of the date of the service of the said notice, or, if the Collector has approved the partition with amendments, and the notice requires the proprietor to produce the extract of any partition in order that amendments may be noted thereon, or to take out a fresh extract from the partition-paper, as provided in the next succeeding section, then within six weeks of such date.

85. Whenever the Collector shall have approved a partition with amendments, and shall, under section 83, have caused such amendments to be noted on the partition-paper and map submitted by the Deputy Collector, the notice to be served on each of the recorded proprietors under the last preceding section shall, in the case of every such proprietor whose separate estate is affected by such amendment, in addition to the particulars mentioned in the said section, require such proprietor to produce before the Collector, within fifteen days of the service of such notice, the extract from the paper of partition which has been prepared, and any map relating to his separate estate which may have been prepared, under section 79, in order that the amendments made by the Collector in the partition may be noted thereon; and such amendments shall be noted thereon by the Collector accordingly, and such extract and map shall be returned to the proprietor who produced them.

Whenever the Collector shall have caused, under section 83, a new partition-paper and map to be prepared, he shall order separate extracts from the portions of the partition-paper which relate to each separate estate, and maps, if necessary, to be prepared as required by section 79, and in such case the notice served under the last preceding section shall, in addition to the particulars mentioned in that section, declare the extracts and maps which were furnished or offered to proprietors under section 79 to be cancelled, and shall require the recorded proprietors to take out of the Collector's office such extracts and maps relating to their respective separate estates.

86. As soon as practicable after the issue of the notice under section 84, the Collector shall forward to the Commissioner all papers relating to the partition as approved or as made by the Collector.

1876.
Act 8.

PART VIII.

OF THE GENERAL PRINCIPLES ON WHICH PARTITIONS SHALL BE MADE.

Rules applicable to the Partition of Lands which are held by the Proprietors in common Tenancy.

87. Each separate estate shall be made as compact as is compatible with the primary object of making an equitable partition among the proprietors, and with the other provisions of this Part; but no partition made or approved by a Collector shall be set aside on the ground only that the separate estates are not compact.

88. In selecting the villages or lands to be assigned to each separate estate formed out of a parent-estate which has been held in common tenancy, the Collector shall take into consideration

the advantages or disadvantages arising from situation ;
the vicinity of roads, railways, navigable rivers, or canals ;
the nature and quality of the soil and produce ;
the quantity of cultivable and uncultivable waste-land ;
the facilities for irrigation ;
the state of the embankments and water-courses ;
liability to accretion and diluvion ;
and any other circumstances affecting the value of the lands.

89. If a dwelling-house belonging to one proprietor is situated on any land which it may be necessary to include in the separate estate of another proprietor, the owner of such house may retain occupation thereof with the offices, buildings, and grounds immediately attached thereto, upon agreeing to pay rent for the land occupied by such dwelling-house, offices, buildings, and grounds to the proprietor of the separate estate in which such land is included.

The limits of the land so occupied and the rent to be paid for it in perpetuity shall be fixed by the Deputy Collector, and shall be stated in the paper of partition.

In every such case a defined pathway shall, as far as possible, be secured to the owner of the house, leading from his house to some portion of the separate estate allotted to him.

90. Whenever the Deputy Collector shall think fit, he may apply the rule contained in the last preceding section to gardens, to orchards of trees, to land planted with bamboos, and to any other lands which, in his opinion, are of special value to the proprietor in whose occupation they are found to be, in consequence of improvements made by such proprietor, or of the particular use to which such lands are put.

91. The rent fixed in perpetuity on any land by the Deputy Collector under either of the two last preceding sections shall be considered to be the rental of such land for the purposes of the partition.

1876.

Act 8.

92. Whenever the dwelling-house of one proprietor, with the offices, buildings, and grounds immediately attached thereto, shall have been included in the separate estate of another proprietor, and the annual rent to be paid in perpetuity in respect of the land occupied thereby shall have been fixed by the Deputy Collector, and stated in the paper of partition, the proprietor whose dwelling-house, offices, buildings, and grounds have been included as aforesaid, may apply to the Deputy Collector for permission to redeem the annual rent so fixed, and the Deputy Collector shall give such permission, unless he shall be of opinion that such redemption would endanger the safety of the land-revenue for the payment of which the separate estate in which such dwelling-house, offices, buildings, and grounds have been included, will be liable.

93. If the Deputy Collector shall see no such reason to refuse his permission to the redemption being made, he shall certify the amount payable by such proprietor in redemption of such annual rent; and such amount shall be calculated and fixed by the Deputy Collector at ten per centum above the sum which would be required to purchase, at the market-prices then prevailing, so much stock of the Government-loan which was last issued as would yield an annual amount of interest equal to the annual land-rent fixed by the Deputy Collector under section 89.

94. The proprietor desiring to redeem the rent as aforesaid may pay to the Deputy Collector the amount so certified at any time before possession is given to the several proprietors of the separate estates allotted to each, as provided in section 123, but not after such possession has been given.

95. On receipt of such payment, the Deputy Collector shall give notice to the proprietor in whose separate estate such land is situated that such payment has been made, and that the sum will be paid to him or to his authorized agent on application, and that, from the date on which possession as aforesaid may be given, the proprietor who has redeemed the rent of such land will be entitled to hold such land as a rent-free tenure secured against the proprietor of the estate, and against any auction-purchaser at a sale for arrears of revenue, including the Government; and from such date the lands shall be so held as a rent-free tenure.

96. The Deputy Collector shall, at the same time, also give notice to the Collector of the district of the creation of such tenure; and the Collector of the district shall thereupon cause such tenure to be specially registered in the manner provided by section 42 of Act XI. of 1859, or by any similar law for the time being in force.

97. When two or more of the separate estates shall consist of the same proportions of the parent-estate, the Deputy Collector may, if he thinks proper, direct the parties entitled thereto respectively to draw lots in his presence for the equal separate estates which have been formed by assignment of lands, unless the recorded proprietors of the equal shares shall agree among themselves as to the allotment of the equal separate estates, and shall present a petition to that effect, or unless, for any other reason, the Deputy Collector shall, with the sanction of the Collector, think proper to assign the equal separate estates to the proprietors of the equal shares without causing lots to be drawn.

Act 8.

98. When the aggregate of two or more shares equals one other share, or equals the aggregate of two or more other shares, the Deputy Collector, with the sanction of the Collector, may cause such aggregate shares to be treated as one share for the purpose of determining by lots as aforesaid which portion of the parent-estate shall be assigned to each proprietor as his separate estate ;

And after lots shall have been drawn once (or more than once if necessary) as aforesaid, the Deputy Collector shall proceed to divide the portion of the parent-estate which has fallen by lot to each aggregate share, among the proprietors of the different shares which were formed into such aggregate share for the purpose of drawing lots, and shall assign to every such proprietor his separate estate within such portion in such position as the Deputy Collector may think proper :

Provided that lots shall in no case be drawn until after full opportunity shall have been given to the proprietors to advance their objections in respect of the papers accepted as the basis of the partition and in respect of the assets of the different lands as stated in such papers, and until any such objections which may have been made shall have been disposed of.

For the purposes of drawing lots, the 4 annas, 3 annas, and 1 anna share may be taken together, and considered to be an aggregate 8 annas share.

The Deputy Collector will divide the parent-estate into two halves of equal value, and will then cause lots to be drawn, in order to determine which of the two halves shall be assigned to the proprietor of the integral 8 annas share, and which shall be divided among the proprietors of the 4 annas, 3 annas, and 1 anna shares.

Subsequently, if necessary, the Deputy Collector may again cause lots to be drawn by the proprietor of the 4 annas share on the one hand, and the proprietors of the aggregate-share made up by taking together the 3 annas share and the 1 anna share.

Two tracts in the estate may first be marked-off, the value of each being equivalent to a 6 annas share, and then, for the purpose of drawing lots in respect of the assignment of these two tracts, the 4 annas share and the 2 annas share may be taken together as an aggregate 6 annas share, and lots may be drawn between the proprietor of the aggregate 6 annas share so formed on the one hand, and the proprietor of the integral 6 annas share on the other.

One of the two 6 annas tracts having thus been finally assigned to the proprietor of the integral 6 annas share, the Deputy Collector will proceed to assign the rest of the estate among the remaining sharers, and he may again, for the purpose of causing lots to be drawn, mark-off two tracts, the value of each of which shall be equivalent to 5 annas of the parent-estate, and may cause lots to be drawn for these two tracts between the proprietors of the 4 annas share and the 1 anna share.

has been made by private arrangement of the proprietors of such estate, and in accordance with such arrangement each proprietor is in possession of separate lands held in severalty as representing his interest in such parent-estate, the joint application presented to the Collector by all the recorded proprietors of such estate as required by section 12 may be to the effect that a partition of such estate be made by assigning to each proprietor, or to two or more proprietors jointly, as his or their separate estate, the lands of which they are in separate possession in accordance with such arrangement, and also that each separate estate so formed be made liable for such portion of the entire land-revenue of the parent-estate as was paid by the proprietor or proprietors thereof under the private arrangement aforesaid.

102. The Deputy Collector who is appointed to carry out the partition

Partition according to private division to be referred to Collector.

in accordance with such application shall satisfy himself that the assets of each separate estate which it is proposed to form are sufficient to secure the payment of the annual amount of land-revenue for which it is proposed to make such separate estate liable; and if the Deputy Collector be satisfied that in this respect, and with reference to all the circumstances of the case, the partition of the lands and the assessment of the revenue thereon may be made in the manner proposed without endangering the safety of the

revenue, the Deputy Collector shall submit the case, with his opinion thereon, and the reasons on which such opinion is founded, to the Collector, who may admit or reject the said application.

Act 8.

103. If the Collector admits the said application, such admission shall be deemed to be the Collector's approval of the general arrangement of the partition as provided in section 75, and the Deputy Collector shall proceed to complete the partition accordingly.

104. If the Deputy Collector who is appointed to carry out the partition in accordance with a joint application under section 101 is not satisfied that the partition of the lands and the assessment of the revenue payable thereon can be made in the manner proposed without endangering the safety of the public revenue, or if the Collector rejects the application for such partition, the Deputy Collector shall refuse to make the same.

105. Whenever the proprietors of an estate are, in accordance with a private arrangement, as aforesaid, respectively in possession of separate lands held in severalty as representing their respective interests in the estate, the joint application presented to the Collector by all the recorded proprietors of the estate, as required by section 12, may be to the effect that a partition of such estate be made by assigning to each proprietor, or to two or more proprietors jointly, as his or their separate estate, the lands of which they are in possession in accordance with such arrangement, and that the land-revenue for which the parent estate is liable may be apportioned among the separate estates so formed in accordance with the provisions of section 6.

A joint application under this section may be made notwithstanding that a joint application under section 101 has been refused in respect of the same estate.

106. Whenever the Deputy Collector who is appointed to carry out a partition shall find that, in accordance with a private arrangement made by the proprietors of an estate, the proprietors respectively, or any of the proprietors, are in possession of separate lands held in severalty as representing portions only of their respective interests in the parent-estate, while other lands of the parent estate are held in common tenancy between such proprietors, a joint application as mentioned in section 12 shall not be necessary to authorize the Collector to make a partition of the estate, but the Deputy Collector shall allot to the separate estate of each proprietor the lands on which such proprietor is found to be in possession in severalty in accordance with such private arrangement.

Lands held in the occupation of the several proprietors of an estate as *air*, *khamâr*, or *nij-jot*, or under any other similar denomination, shall not be deemed to be lands held in severalty as representing portions of their respective interests in the parent-estate within the meaning of this section, which applies only to cases in which there has been a *bonâ fide* division, by private arrangement among the proprietors, of lands held by tenants.

110. Whenever the Deputy Collector shall find in the parent-estate lands which are actually held rent-free (whether the lands held rent-free not which are actually held rent-free (whether the lands to be divided. proprietors of the estate do or do not claim a right to receive rent from such lands), the Deputy Collector shall make no division or assignment of such lands among the separate estates, but shall specify in the partition-papers and proceedings that such lands are left appertaining jointly to all the separate estates which are formed out of the parent-estate, in the proportion which each separate estate bears to the parent-estate :

Provided that such lands or any of them may be allotted among the different separate estates with the consent of all the recorded proprietors of the parent-estate, but not otherwise.

111. Whenever the Deputy Collector shall find in the parent-estate any lands which are held at a fixed rent on a patni or other permanent intermediate tenure falling within exception 2 or exception 3 of section 7, the Deputy Collector may either

(1) assign the lands which are held on such tenure and the assets thereof entirely to one or more of the separate estates, the rental being calculated as provided in exception 2 or in exception 3 (as the case may be) of section 7 ; or

(2) leave such lands unassigned to any separate estate, and specify in the partition-paper and proceedings that the lands are left appertaining jointly to all the separate estates which are formed out of the parent-estate in the proportion which each separate estate bears to the parent-estate.

In the event of such lands being so left undivided, the Deputy Collector shall assign to each separate estate such share of the rental of the tenure as shall bear the same proportion to the entire rental of the tenure, as the separate estate bears to the parent-estate.

In dealing with a tenure under this section, the Deputy Collector shall take into consideration the extent of the lands comprised in the tenure, and all other circumstances of the case.

117. If, after a partition has been completed in accordance with an order passed by the Collector under clause 3 of the last preceding section, the proprietor of any separate estate shall be dispossessed by a decree of a Court of competent jurisdiction of any lands which may have been assigned to his estate by the partition, such proprietor shall not be entitled to claim any modification of the partition (which shall hold good), but shall be entitled to recover from the proprietors of the other separate estates formed by the partition such compensation as may be fair and equitable, having regard to the reduction in the proportionate value of his separate estate which is caused by such dispossession;

Act 7.

55. Whoever constructs or works a distillery after the European method, or a brewery, without a license from the Collector, shall be liable for every such offence to a fine not exceeding one thousand rupees;

and all liquors manufactured at any such distillery or brewery, and all materials and implements collected for the purpose of such manufacture, shall be liable to confiscation.

shall be liable for every such offence (the provisions of section 17 notwithstanding) to a fine not exceeding five hundred rupees.*

Refusing to produce license on demand of excise officer, or for breach of license.

59. Every manufacturer or vendor under this Act who fails to produce his license on the demand of any excise officer,

or who commits any act in breach of any of the conditions of his license not otherwise provided for in this Act,

or who wilfully contravenes any rule made by the Board under section 10, otherwise than as provided in the last preceding section,

shall be liable for every such offence to a fine not exceeding fifty rupees, and such fine shall be recoverable from such manufacturer or vendor, notwithstanding that such breach may have been owing to the default or carelessness of the servant or other persons employed by him.

On retail-vendor for selling wholesale, and on wholesale-vendor for selling by retail.

60. Every licensed retail-vendor who sells by wholesale, and every licensed wholesale-vendor who makes a retail sale, shall be liable for every such offence to a fine not exceeding two hundred rupees.

by licensed wholesale vendors of such small quantities of beer, wines, or spirits, as may appear to the Collector to be used only as samples.”*

1878.

Act 7.

61. Any person other than a licensed manufacturer or vendor, or a person duly authorized to supply licensed vendors, having in his possession any greater quantity of any exciseable article, or any preparation or admixture of the same, than the quantity specified for each article in section 15, “or than the quantity which may be fixed by the Board under the said section as the limit for a retail-sale of any such article,”† without a pass from the Collector or other officer duly empowered in that behalf, shall be liable to a fine not exceeding five hundred rupees.

Nothing contained in the first clause of this section, or in section 17, applies to any imported exciseable article “in the possession of any common carrier or warehouseman as such, or”‡ purchased by any person for his private use or consumption, and not for sale.‡

61A. Any person who, in contravention of any notification issued under section 17A, is found in possession of any foreign exciseable article, or of a larger quantity of any such article than is permitted under such notification, shall be liable to a fine not exceeding five hundred rupees.§

62. The provisions of section 61, so far as they relate to the possession of fermented liquors, do not apply to the possession of tári when supplied or used for the manufacture of gúr or molasses;

63. But every such cultivator selling or parting with any such plant, or any preparation thereof, to any person other than a licensed vendor or person duly authorized to purchase the same by pass or license from the Collector, or failing to account for any quantity of such plant, or of any preparation thereof, which has been in his possession, shall be liable to a fine not exceeding five hundred rupees.

* The words quoted have been added by Beng. Act I. of 1883, s. 11.

† The words quoted have been inserted by Beng Act I. of 1883, s. 12.

‡ The amendments in the second clause of s. 61 seem to be unintelligible. For instance, s. 8 of Beng. Act IV. of 1881 runs thus: “For the second clause of section 61 the following shall be substituted: ‘Nothing contained in the first clause of this section, or in section 17, applies to any spirituous or fermented liquors imported by sea which any person may have in his possession for his private use and consumption, and not for sale.’” Then s. 12 of the Beng. Act I. of 1883 inserts in the second clause of s. 61, after the word “article,” the words “in the possession of any common carrier or warehouseman as such, or.” But the second clause of s. 61 as amended by Beng. Act IV. of 1881 does not contain the word “article.”

§ This section has been inserted by Beng. Act IV. of 1881, s. 9.

1873.

and any such person who shall, between sunset and sunrise, drink such liquors on such premises,

shall be liable to a fine not exceeding two hundred rupees, in addition to any other penalty to which he may be liable under this or any other Act.

or of the unlawful cultivation of plants from which intoxicating drugs are produced,

the Magistrate shall inform the Collector of such levy, and the Collector may, under such rules as the Board may prescribe, direct the amount of such fine to be divided, in such proportions as he may think fit, among any persons who were instrumental in the detection of the offence, the seizure of the articles in respect of which the offence was committed, or the capture of the offender;

and may award compensation thereout to any persons subjected to annoyance or injury by any proceedings under this Act.

78. The Board may, either before or after the adjudication of a case, grant such reward, not exceeding two hundred rupees, as to them may seem fit;

and may direct the same to be divided, in such proportions as they may think fit, between any persons who were instrumental in the detection of the offence, the seizure of the articles in respect of which the offence was committed, or the capture of the offender.

* The words quoted have been substituted by Beng. Act IV. of 1881, s. 10, for the words "shall be liable to seizure and confiscation by an officer duly empowered in that behalf."

Act 7.

79. The Board may appropriate any portion, not exceeding one-half, of the fines levied under this Act, the disposal of which is not specially provided for, for rewarding informers, or for compensating persons subjected to annoyance or injury by any proceedings under this Act.

Unless such document be delivered or its non-production be sufficiently excused, or unless the Deputy Commissioner see fit to extend the time for producing the same, it shall not afterwards be admitted.

52. If the plaintiff requires the production of any document in the possession or power of the defendant, he may, at the time of presenting his statement of claim, deliver to the Deputy Commissioner a description of the document in order that the defendant may be required to produce the same.

53. If the statement of claim does not contain the several particulars hereinbefore required to be specified therein, or is not subscribed and verified as hereinbefore required, the Deputy Commissioner may return the statement to the plaintiff, or, at his discretion, allow it to be amended.

Act 1.

54. If the statement of claim is in proper form, the Deputy Commissioner, except as otherwise hereinafter specially provided, shall direct the issue of a summons to the defendant; and if the plaintiff requires the personal attendance of the defendant, and satisfies the Deputy Commissioner that such personal attendance is necessary, or the Deputy Commissioner of his own accord requires such personal attendance, the summons shall contain an order for the defendant to appear personally on a day to be specified in the summons; otherwise the summons shall order the defendant to appear personally or by an agent duly authorized on his behalf, who has personal knowledge of the subject, or who shall be accompanied by a person who has such personal knowledge.

55. The day to be specified in the summons shall be fixed with reference to the state of the file, and the distance that the defendant may be or be supposed to be at the time from the place where the Court is held, and the summons shall order the defendant to produce any document which he may have in his possession, of which the plaintiff demands inspection, or upon which the defendant may intend to rely in support of his defence.

If the said amount be not so deposited, the case shall not be brought on the file of suits; but in such case the plaintiff may present another plaint at any time within the period prescribed by this Act for the limitation of suits.

57. If in any suit against an under-tenant or raiyat for the recovery of an arrear of rent, or against an agent for the recovery of any money, papers, or accounts, the plaintiff desires a warrant of arrest to be issued against the defendant, such defendant being resident within the district in which the suit is instituted, he shall present with his statement of claim an application for the issue of such warrant.

When such application is presented, the Deputy Commissioner shall examine the plaintiff or his agent according to the law for the time being in force for the examination of witnesses, and inspect the documents adduced by him in support of his claim; and if there be *prima facie* grounds for believing the claim to be well-founded, and that, if a summons be issued, the defendant will abscond instead of appearing to answer the claim, the Deputy Commissioner may issue a warrant for the arrest of the defendant.

The Deputy Commissioner shall fix a reasonable time for the return of the warrant, which shall be in the form contained in the Schedule E hereto annexed, or to the like effect, and the officer entrusted with the service of the warrant shall, at the time of arresting the defendant, deliver to him a notice addressed to the defendant, which shall be in the form in the Schedule F hereto annexed, or to the like effect, containing the particulars of the claim,

The security-bond shall be in the form contained in Schedule G hereto annexed, or to the like effect.

60. If the defendant cannot be arrested under the warrant, the Deputy Commissioner, on the application of the plaintiff, shall either postpone the case, for such period as he may think proper, in order that the plaintiff may apply within the said period for another warrant to be issued for the arrest of the defendant, or shall forthwith issue a proclamation, to be affixed to his own office and to the residence of the defendant, appointing a day for the hearing of the case, which shall not be less than ten days from the date of the publication of the notice at the residence of the defendant.

If the defendant appears in pursuance of the proclamation, he shall be dealt with as provided in the last preceding section.

61. If it appears to the Deputy Commissioner that the arrest of the defendant was applied for without reasonable cause, the Deputy Commissioner may in his decree award to the defendant such sum, not exceeding one hundred rupees, as he may deem a reasonable compensation for any injury or loss which the defendant may have sustained by reason of such arrest, or of his detention in jail during the pendency of the suit.

62. If, on the day fixed by the summons or proclamation for the appearance of the defendant, or on any subsequent day to which the hearing of the case may be postponed prior to the recording of an issue for trial as hereinafter provided, neither of the parties appears in person or by an agent, the case shall be struck-off, with liberty to the plaintiff to bring a fresh suit, unless precluded by the provisions for the limitation of suits contained in this Act.

Provided that such judgment, if there be more than one defendant, shall be only against the defendant who makes the admission.

64. If, on any such day, the plaintiff only appears, the Deputy Commissioner, upon proof that the summons or proclamation has been duly served according to the provisions of this Act, shall proceed to examine the plaintiff or his agent, and, after considering the allegations of the plaintiff, and any documentary or oral evidence adduced by him, may either dismiss the case or postpone the hearing of it to a future day for the attendance of any witness the plaintiff may wish to call, or may pass judgment *ex parte* against the defendant.

65. If the defendant appears on any subsequent day to which the hearing of the suit may be postponed under the last preceding section, the Deputy Commissioner may, upon such conditions (if any) as to costs or otherwise as he may think proper, allow the defendant to be heard in answer to the suit as if he had appeared on the day fixed for his attendance.

66. No appeal shall lie from a judgment passed *ex parte* against a defendant who has not appeared, or from a judgment against a plaintiff by default for non-appearance.

But no decree shall be reversed or altered without previously summoning the opposite party to appear and be heard in support of it.

67. In all cases in which the Deputy Commissioner shall pass an order for setting-aside a judgment, the order shall be final; but in all appealable cases in which the Deputy Commissioner shall reject the application, an appeal shall lie from the order of rejection to the tribunal to which the final decision in the suit would be appealable; provided that the appeal be preferred within the time allowed for an appeal from such final decision.

68. When both parties appear in person on the day named in the summons, or upon any subsequent day to which the hearing of the case may be adjourned for sufficient reason to be recorded by the Deputy Commissioner, the Deputy Commissioner shall proceed to examine them and either party or his agent may cross-examine the other.

If either of the parties is not bound to attend personally, any agent by whom he shall appear, or any person who shall accompany such agent, shall be examined and cross-examined in like manner as the party himself would have been if he had attended personally.

69. The examination of the parties or their agents, or such other persons as aforesaid, shall be conducted according to the law for the time being in force for the examination of witnesses.

70. If either of the parties brings forward a witness on the day aforesaid, the Deputy Commissioner may take the evidence of such witness.

71. If the defendant relies on any document in support of his defence, he shall deliver the same into Court at the first hearing of the suit ; and unless such document is so delivered in, or its non-production is sufficiently excused, or unless the Deputy Commissioner sees fit to extend the time for producing the same, it shall not afterwards be admitted.

72. If, after the examination required by section 68, and also the examination of any witness who may attend to give evidence on behalf of either of the parties, and after a consideration of the documentary evidence adduced, a decree can be properly made without further evidence, the Deputy Commissioner shall make a decree accordingly.

73. If, on such examination as aforesaid, the agent of either party is unable to answer any material question relating to the case, which the Deputy Commissioner is of opinion that the party whom he represents ought to answer, and is likely to be able to answer if interrogated in person, the Deputy Commissioner may postpone the hearing of the case to a future day, and direct that the party whose agent may have been unable to answer as aforesaid shall attend in person on such day ;

and if the party so directed to attend fails to appear in person on the day appointed, the Deputy Commissioner may pass judgment as in case of default, or make such other order as he may deem proper under the circumstances of the case.

74. If, on such examination as aforesaid, it appears that the parties are at issue on any question upon which it is necessary to hear further evidence, the Deputy Commissioner shall declare and record such issue, and shall fix a convenient day for the examination of witnesses and the trial of the suit ; and the trial shall take place on that day, unless there be sufficient reason for adjourning it, which reason shall be recorded by the Deputy Commissioner.

81. The Deputy Commissioner may in any case grant time to the plaintiff or defendant to proceed in the prosecution or defence respectively of a suit, and may also, from time to time, in order to the production of further proof, or for other sufficient reason to be recorded by him, adjourn the hearing or further hearing of any case in such manner as to him may seem fit.

Act 1.

118. If, before the day fixed for the sale, a third party appears before the Deputy Commissioner, and claims a right or interest in any of the moveable property taken in execution, the Deputy Commissioner shall examine such party or his agent according to the law for the time being in force relating to the examination of witnesses, and, if he see sufficient reason for so doing, may stay the sale of such property.

119. The Deputy Commissioner shall adjudicate upon such claim, and make such order between the claimant and the plaintiff and defendant in the original suit as shall to him seem fit.

In trying such claim the Deputy Commissioner shall be guided by the provisions of this Act, so far as they may be applicable.

120. If the claimant fails to establish his right to the property taken in execution, the Deputy Commissioner, at the time of disposing of the case, may award to the judgment-creditor against such claimant, as part of the costs, such sum as he may consider sufficient to cover any loss of interest or damage which the judgment-creditor may have sustained by reason of the postponement of the sale of the property.

No appeal from order of Deputy Commissioner under ss. 119, 120.

121. No appeal shall lie from any order passed by the Deputy Commissioner under the last two preceding sections.

But the party against whom the same may be given shall be at liberty to bring a suit in the Civil Court to establish his right at any time within one year from the date of the order :

Provided that, if the order be for the sale of the property, the suit shall not be for the recovery of the property, but for damages against the judgment-creditor by whom the property was brought to sale.

122. No irregularity in publishing or conducting a sale of moveable property under an execution shall vitiate such sale ; but nothing contained in this section shall be held to deprive any person who may sustain damage by reason of such irregularity from recovering such damage by action in the Civil Court ; provided such action be brought within one year from the date of sale.

123. If the decree is for an arrear of rent due in respect of an under-tenure, which, by the title-deeds or the custom of the country, is transferable by sale, the judgment-creditor may make application for the sale of the tenure, and, with the sanction of the Commissioner, but not otherwise, the tenure may thereupon be brought to sale in execution of the decree, according to the provisions for the sale of under-tenures contained in Bengal Act VIII. of 1865.

But no such application shall be received when a warrant of execution has been previously issued against the person or moveable property of the judgment-debtor so long as such warrant remains in force.

If, after sale of an under-tenure, any portion of the amount decreed remains due, process may be applied for against any other property, moveable or immoveable, belonging to the debtor, and any such immoveable property may be brought to sale in the manner provided in section 129.

1879.

Act 1.

124. No under-tenure which is held conditionally on the survival of heirs male of the grantee, and which, on failure of such heirs, reverts to the grantor free of all encumbrances made subsequent to the date of the grant, shall be sold under this Act :

Provided that the right and title of any person in such tenure may be sold with the sanction of the Commissioner.

If third party claim to be lawful possessor of under-tenure, Deputy Commissioner to stay sale, and adjudicate upon claim.

125. If, before the day fixed for the sale of any such under-tenure as is mentioned in section 123, or of the right and title of any person in an under-tenure of the nature described in section 124,

a third party appears before the Deputy Commissioner, and alleges that such third party, and not the person against whom the decree has been obtained, is the proprietor of such under-tenure, and was in lawful possession of the same at the time when such decree was obtained,

the Deputy Commissioner shall examine such party in the manner provided in section 118; and if he sees sufficient reason for so doing, and such party deposits in Court the amount of the decree, or gives sufficient security for the same, the Deputy Commissioner shall stay the sale, and proceed to enquire into and adjudicate upon the claim :

Provided that no transfer of an under-tenure which by the provisions of this Act or any other law for the time being in force is required to be registered in the sarrishita of the zamindar or superior tenant shall be recognized unless it has been so registered, or unless sufficient cause for non-registration is shown to the satisfaction of the Deputy Commissioner.

126. In trying such claim the Deputy Commissioner shall be guided by the provisions of this Act, so far as the same may be applicable; and the judgment passed by the Deputy Commissioner on such claim shall not be subject to appeal, but the party against whom it is given may bring a suit in the Civil Court to establish his right at any time within one year from the date of the judgment.

127. If a decree is given in favour of a sharer in a joint undivided estate, dependent taluq, or other similar tenure for money due to him on account of his share of the rent of an under-tenure situate in such undivided estate, taluq, or tenure, application for the sale of such under-tenure shall not be received unless execution shall have been first taken out against any moveable property which the judgment-debtor may possess within the district in which the suit was instituted, and the sale of such property (if any) shall have proved insufficient to satisfy the judgment.

In such case the under-tenure, if of the nature described in section 123, and not of the nature described in section 124, may, with the sanction of the Commissioner, but not otherwise, be brought to sale in execution of the decree in the same manner as any other immoveable property may be sold in execution of a decree for money under the provisions of the next two succeeding sections.

128. In the execution of any decree for the payment of money under this Act, not being money due as arrears of rent of a saleable under-tenure, or of a tenure the right and title in which is saleable, if satisfaction of the judgment cannot be obtained by execution against the person or moveable property of the debtor

ACT NO. VIII. OF 1879.

An Act to define and limit the powers of settlement-officers.

Preamble

WHEREAS it is expedient to define and limit the powers of settlement-officers; It is enacted as follows :—

Extent.

1. This Act extends to all the territories under the administration of the Lieutenant-Governor of Bengal; and

it shall

into force from the date on which it may be published in the *Calcutta Gazette* with the assent of the Governor-General.

Commencement.

2. Bengal Act No. III. of 1878 (*an Act to define and limit the powers of settlement-officers with respect to enhancement of rent*) is hereby repealed.

Repeal of Bengal Act III. of 1878.

Interpretation.

3. In this Act—

“settlement-officer” means the Collector or any officer in charge of the revenue-jurisdiction of a district, and includes any Assistant Commissioner, Deputy Collector, or Sub-Deputy Collector, whom the Collector or other officer as aforesaid may authorize to conduct the enquiries and proceedings connected with any settlement of land-revenue, and any officer who may be appointed by the Lieutenant-Governor to make any such settlement :

“under-tenant” means any holder of a heritable and transferable intermediate tenure between the Government and the raiyat other than a zamindar.

4. Nothing contained in section 51 of Regulation VIII. of 1793, or in sections 13, 14, and 17 of Act X. of 1859, or in sections 14, 15, and 18 of Bengal Act VIII. of 1869, shall affect any settlement-proceedings under Regulation VII. of 1822, or under any other law for the time being in force for the regulation of settlements of land-revenue.

5. In any such settlement-proceedings the rent recorded as demandable from each raiyat shall, except as herein otherwise provided, be in accordance with the general rates sanctioned or subsequently approved for adoption in such settlement by the revenue-authorities from time to time empowered in that behalf by the Lieutenant-Governor,

1879.
Act 8.

6. The settlement-officer may, on some one or other of the following grounds of enhancement, as demandable from any raiyat having a right of occupancy than the rent which was previously paid by him, namely—

(i) that the higher rent so recorded is calculated on rates which are not above the prevailing rates payable by the same class of raiyats for land of a similar description and with similar advantages in the surrounding neighbourhood ;

(ii) that the enhancement is not greater than is justified by the increase which has taken place in the productive powers of the land otherwise than by the agency, or at the expense, of the raiyat since the rent of the raiyat was last fixed ;

(iii) that the value of the produce of the land has been increased otherwise than by the agency, or at the expense, of the raiyat since the rent of the raiyat was last fixed ; and that such higher rent does not bear a higher proportion to the rent of such raiyat as last fixed than the normal price of produce at or about the time of the present settlement bears to the normal price of similar produce which prevailed at or about the time when such rent was last fixed ;

(iv) that the value of the produce of the land has been increased otherwise than by the agency or at the expense of the raiyat since the last previous settlement of the lands was made ; and that such higher rent does not bear a higher proportion to that which would have been the rent of lands of a similar description and the same area, according to the rates of such previous settlement, than the normal price of produce at or about the time of the present settlement bears to the normal price of similar produce which prevailed at or about the time of such previous settlement as recorded in the papers of such settlements, or as otherwise ascertained and certified by the settlement-officer ;

(v) that the quantity of land held by the raiyat has been proved by measurement to be greater than the quantity for which rent has been previously paid by him.

Rules for determining rent recorded as demandable.

7. The rent recorded as demandable from an under-tenant shall be determined in accordance with the following rules :—

(a) Whenever the settlement-officer shall find any person holding as an under-tenant, he shall first ascertain and record whether the tenure so held is binding as against the Government.

(b) If the settlement-officer finds the tenure to be so binding, the rent recorded as demandable from such under-tenant shall in no case be higher than an amount which shall be ten per cent. below the aggregate of the rents recorded as payable to him from the subordinate under-tenants and raiyats whose holdings fall within his tenure.

(c) If the settlement-officer shall find that the tenure is not binding as against the Government, he shall first determine the proportionate amount of the demand of land-revenue to be assessed upon the lands included in the tenure in accordance with any orders of Government for the time being in force regulating the demand of land-revenue, and shall record the rent payable by such under-tenant at such a sum (not being less than such proportionate amount of land-revenue or more than the aggregate of the rents recorded as payable to him from the subordinate under-tenants and raiyats whose holdings fall within his tenure) as may seem fair and equitable with reference to the character and circumstances of the tenure.

1879.

Act 8.

8. When the rent demandable from any under-tenure or raiyat is recorded at an amount below that to which the rent of such under-tenant or raiyat might have been enhanced under this Act, it may be recorded that such under-tenant or raiyat shall, from time to time, be liable to pay increased rent from such dates as may be fixed by the settlement-officer, until the rent paid by him reaches the amount which the settlement-officer may determine to be properly payable by him under this Act.

9. Whenever a higher rent has been recorded as demandable from any under-tenant or raiyat than the rent previously paid by him, the settlement-officer shall cause to be published a copy of the *jamabandi* or extracts therefrom, specifying in respect of each such under-tenant or raiyat the rent recorded as payable by him, and, in the case of a raiyat, the clause or clauses of section 6 of this Act under which his rent is enhanced.

Such publication may be lawfully made by affixing a copy of the *jamabandi*, or of such extracts therefrom as the Collector may think fit, at the *mál-kachahri* of the village to which the *jamabandi* relates, or at some other conspicuous place therein, and by proclamation by beat of drum in the said village to the effect that the said copy or extracts have been so affixed, and that the *jamabandi* can be inspected at the office of the settlement-officer.

10. Every under-tenant and raiyat shall be liable to pay the rent recorded as demandable from him under this Act, unless it shall be proved in any suit instituted by such under-tenant or raiyat to contest his liability to pay the same that such rent has not been assessed in accordance with the provisions of this Act.

But nothing in clause c of section 7 of this Act, or in this section, shall be held to limit the discretion of the Court in determining in any suit under this section the rent of an under-tenant of the class described in the said clause c.

No suit under this section shall be instituted otherwise than within four months after the publication of the *jamabandi* or extracts as aforesaid, in the village in which the lands which are the subject of the suit or any part thereof are situated.

11. In all suits instituted to contest the rent recorded as demandable under this Act, the Court shall, if it modifies or sets aside such rent, proceed to determine the rent payable by the plaintiff in accordance with this Act, and, if any arrears of rent at the rates determined by the Court are found to be due, shall make a decree in favour of the defendant for such arrears, with such costs as may seem proper.

12. If publication of the copy of a *jamabandi* or of extracts therefrom as provided in section 9 of this Act is made without effect in the first six months of the year of the era current in the district, the enhancement may take effect from the beginning of the year in which such publication may have been made; otherwise it shall take effect from the beginning of the next following year.

13. Rent recorded as demandable under this Act, or fixed by a final decree in any suit as aforesaid, shall not be liable to enhancement until ten years shall have elapsed from the date on which the settlement took effect, or until the period of the settlement shall have expired, whichever may first occur.

14. The provisions of this Act shall apply to all settlement-proceedings under Regulation VII. of 1822 which may have been confirmed after the commencement of Bengal Act III. of 1878, or which may hereafter be confirmed or sanctioned by the revenue-authorities from time to time empowered in that behalf by the Lieutenant-Governor, whether such proceedings shall have been commenced before or after the commencement of the said Act.

1879.

Act 9.

Provided that when such estate, share, or part has been attached under the provisions of this clause, the proceeds shall be paid to the Collector, and the Collector, after deducting the claims of Government for revenue and other public demands, together with any interest which has accrued upon such public demands other than Government revenue and the charges of management, due up to the date of making such deduction, shall release such estate, share, or part from attachment, and pay any balance of the proceeds still remaining in his hands to the proprietor of such estate, share, or part, or to his duly constituted agent, and shall furnish such proprietor or agent with an account of the receipts and expenditure extending over the time when such estate, share, or part was under attachment.*

24. No estate the sole property of a minor or of two or more minors,

Estate belonging to minor not to be sold for arrear of revenue.

The Collector may, on an arrear so accruing on any such estate, attach

the estate and collect the rents and all arrears of rent due, managing the estate either directly or through a manager, or by farming it, as he may think fit, for a period not exceeding ten years, nor extending beyond the time when such minor or one of such minors completes his age of twenty-one years.

25. The exemption from sale for arrears of revenue given by section 24

When exemption from sale for arrears of revenue applies.

PART IV.

1879.

ASCERTAINMENT OF DISQUALIFICATION.

Act 9.

27. Whenever any Collector has reason to believe that any person residing in his district, or being the proprietor of an estate borne on the revenue-roll of his district, should be declared or adjudged to be a disqualified proprietor under section 6, he shall make such enquiry as he may deem necessary, and, if satisfied that such person should be so declared or adjudged, shall make a report of the same to the Court;

and the Court shall, on receipt of such report, make such order consistent with this Act as may seem to it expedient.

28. Nothing in section 27 shall prevent the Court or the local Government from putting the provisions of this Act in force without any report from the Collector.

29. Whenever any Collector receives information that the sole proprietor of an estate which is borne on the revenue-roll of his district has died, or that the sole proprietor of any estate has died within his district, and such Collector has reason to believe that the heirs of such proprietor should be declared or adjudged to be disqualified under section 6, he may take such steps and make such orders for the safety and preservation of the moveable property of such heirs, and of all deeds, documents, or papers, relating to the property of such heirs, as to him may seem fit.

Such Collector may call upon any other Collector in whose jurisdiction any such moveable property, or any such deeds, documents, or papers, may be, to take charge of the same, and thereupon such other Collector shall have the same powers with respect to such property, deeds, documents, and papers within his district as are conferred by this section on the first-mentioned Collector.

If the property is not afterwards taken under the charge of the Court, all expenses incurred by a Collector acting under this section shall be recoverable as arrears of revenue from the owner of such property or the person or persons whom the Collector shall find to be in possession of such property, and shall constitute a demand under Bengal Act VII. of 1868, or any similar law for the time being in force.

30. ACT NO. VI. OF 1880.

[RECEIVED L-G.'s ASSENT 22ND APRIL, AND G-G.'s 28TH MAY.]

An Act to provide for the Drainage and Improvement of Lands.

WHEREAS it is expedient that provision should be made for the better drainage and improvement of lands in the territories administered by the Lieutenant-Governor of Bengal: It is hereby enacted as follows :—

PRELIMINARY.

Short title.

1. This Act may be called "The Bengal Drainage Act, 1880."

Extent.

It extends to all the territories for the time being under the administration of the Lieutenant-Governor of Bengal;

1881.
Act 1.

and it shall come into force from the date on which it may be published in the *Calcutta Gazette* with the assent of the Governor-General.

2. Bengal Act V. of 1871 (*the Hughli and Burdwan Drainage Act*) shall be repealed on and from the date upon which this Act comes into force, but, subject to the provisions of this Act, this repeal shall not affect the past operation of such Act, or anything duly done or suffered, or any right, privilege, obligation, or liability, acquired, accrued, or incurred thereunder.

Interpretation clause.

3. In this Act, unless there be something repugnant in the subject or context—

“The Collector” means the officer in charge of the revenue jurisdiction of the district within which the lands which form the subject of a scheme under this Act, or the greater portion of such lands, are situate. If any doubt arises as to whether the greater portion of the lands is situate within one of two or more districts, the Board of Revenue shall decide the point, and such decision shall be final.

“The Commissioners” mean the Drainage Commissioners to be appointed under this Act :

“Estate” means land included under one entry in the General Registers of revenue paying lands and revenue free lands, prepared and maintained under the law for the time being in force by any Collector of a district, or a share of, or interest in, such land.

“Proprietor” means a person who, as owner, is solely or jointly in possession of an estate.

“Tenure” means—

(1) a permanent rent-paying interest in land immediately subordinate to that of a proprietor, and superior to that of a raiyat, extending to not less than one hundred standard bighás affected or to be affected by any works under this Act ;

(2) a permanent revenue-free or rent-free interest in land affected or to be affected by any works under this Act, when there exists no rent-paying interest in the same land between the proprietary interest in the estate and such revenue-free or rent free interest :

“Under-tenure” means—

(1) a permanent rent paying interest in land subordinate to that of a tenure-holder and superior to that of a raiyat, extending to not less than one hundred standard bighás affected or to be affected by any works under this Act ;

(2) a revenue-free or rent-free interest in land affected or to be affected by any works under this Act, when there exists a rent-paying interest in the same land between the proprietary interest in the estate and such revenue-free or rent-free interest :

Explanation.—The term “permanent” is used with reference to the tenure or under tenure itself, and not with reference to the person who happens to hold such tenure or under-tenure for the time being. A tenure or under-tenure is none the less permanent, although held by a Hindú widow, a sebit, or a person subject to the Mitákshará law.

“Landholder” and “holder of land” mean—

(1) any person who, as owner of an estate, is solely or jointly in possession thereof ;

(2) any person who, as owner of a tenure or under-tenure, is solely or jointly in possession thereof ,

Where two or more persons are joint landholders, they shall be jointly and severally liable under this Act, except as is otherwise expressly provided herein :

1880.

Act 6.

" Reclaimed land " means land which was unfit for cultivation before the execution of any works under this Act, but which has been rendered productive by such works :

" Improved land " means land which was more or less fit for cultivation before the execution of any works under this Act, but of which the productive powers have been increased by such works :

" Part " and " section " mean respectively a part and section of this Act.

and the Lieutenant-Governor may, from time to time, remove, or accept the resignation of, any such Commissioner, or may add to the number of the Commissioners, and may appoint another person in the place of any such Commissioner dying, resigning, being removed, or ceasing to reside in the district in which such lands are situate, but so as that the majority of the Commissioners shall always be persons qualified as aforesaid.

No act done or proceeding taken by the Commissioners shall be invalid merely on the ground that at the time of doing such act or of taking such proceeding the majority of the Commissioners were not persons qualified as aforesaid.

5. The Lieutenant-Governor shall, from time to time, appoint one of the persons so appointed Commissioners as aforesaid to be Chairman of the Commissioners, and may at any time, if he see fit, revoke such appointment, and appoint another of such persons to be Chairman. No business shall be transacted at any meeting unless at least three members are present at the commencement and close of such business.

10. The Chairman of the Commissioners may, by an order in writing, appoint and dismiss such servants and officers other than Engineers and their subordinates as may be required for the purposes of this Act, and he may control them as he shall see fit. There shall be paid to such servants and officers respectively such salaries as may appear to the Commissioners to be proper.

When objects of their appointment fulfilled, Lieutenant-Governor may direct their powers and functions to cease.

11. The Lieutenant-Governor may, when satisfied that the objects of their appointment have been fulfilled, direct that the powers and functions of the Commissioners shall cease.

After the date named in such notification, a list of the persons who may have given their assent or made any objection in writing in accordance with such notification shall be prepared and published in the manner provided in section 12 for the information of all concerned. Such list shall contain a specification of the land in respect of which such persons claim to vote as landholders, and of the titles in virtue of which they claim to vote respectively: and there shall be appended thereto a notice that objections to the right of voting so claimed must be lodged with the Commissioners within one month after the publication of the said list.

1880.

Act 6.

14. (1) The Commissioners may, at some meeting to be held not less than one month after such list has been published under the provisions of section 13, proceed to ascertain whether the holders of half of the lands to be reclaimed or improved have assented in writing to the adoption of the scheme. For the purpose of so ascertaining, the Commissioners shall take into account the vote of not more than one landholder in respect of any one portion of the area affected, and, whenever more than one landholder shall have given his vote in respect of the same portion of such area, the Commissioners shall take into account the vote of the landholder who holds the lowest interest in respect of such area, and shall not take into account, in respect of such area, the vote of any superior landholder who may have voted.

Total ... 5,000

(2) One vote only shall be allowed in respect of an estate, tenure, or under-tenure belonging to two or more co-sharers. In order to ascertain whether this vote shall be taken as assenting or objecting to the adoption of the scheme, regard shall be had to the votes of the co-sharers individually, and account shall be taken of those only who actually vote. If the majority assent, a vote of assent shall be deemed to have been given in respect of the estate, tenure, or under-tenure. If the majority object, a vote of objection shall be deemed to have been given. If the number assenting and the number objecting are equal, no vote shall be deemed to have been given in respect of such estate, tenure, or under-tenure.

15. The Commissioners may, in their discretion, refuse to take into account the vote of any person who, after being required to do so, fails to specify the extent of land held by him, and the nature of the interest which he has in such land.

16. (2) It shall be the duty of the Commissioners to distribute the liability to pay such half-yearly interest amongst such landholders as soon as the completion of the works has been certified to them, and to report the details of such distribution to the Collector.

(3) In order to the distribution of such liability, the Commissioners shall have regard to the plans and estimates of the scheme and to such other information as may be supplied to them by the officer in charge of such works, and shall distribute the liability in a general way, so that the share of the interest payable by the holders of each estate, tenure, or under-tenure, from whom any sum is made payable, shall be in proportion to the benefit to be derived by the lands of such holders, so far as the Commissioners can judge of such proportions.

(4) Notices shall be served upon such holders setting forth the half-yearly amount of interest payable by them and the date upon which it is payable. Where two or more persons are joint-holders of an estate, tenure, or under-tenure, service of notice under this clause on any one such person shall be deemed to be good and sufficient service on each and all of such persons. If such half-yearly amount be not paid upon such date, the Collector may proceed for its recovery according to the law for the time being in force for the recovery of public demands.

27. It shall be lawful for the Commissioners at any time during such three years to make such inspections of the lands and such surveys thereof, and otherwise to collect such information, as shall, in their opinion, conduce to the making of such classification, and of the apportionment hereinafter mentioned.

(2) The Commissioners shall, after making such classification, proceed further to apportion the total cost of construction, together with the interest mentioned in section 26, upon the improved lands and reclaimed lands, and shall draw up a statement showing the amount payable to the Collector by each landholder—

- (a) in respect of his improved lands (if any); and
- (b) in respect of his reclaimed lands (if any).

1880.

Act 6.

In making this apportionment, the Commissioners shall, as far as may be possible, make payable in respect of each plot or field of improved land a sum not exceeding the amount of the increased capitalized value, which, in the opinion of the Commissioners, has been conferred on such land by the works.

29. If, upon the completion of the apportionment under section 28, it shall be found that any landholder has, under the provisions of section 26, paid more or less interest than he would have been required to pay according to the proportions adopted in the apportionment under clause 2 of section 28, if such apportionment had then been in force, the Commissioners shall direct such refunds to be made or such additional amounts to be levied as shall be necessary to bring the payments of all the landholders concerned into conformity with such proportions.

30. Whenever any land, in respect of which any sum is apportioned as payable under the provisions of section 26 or 28, forms part of a tenure, or of a tenure and of an under-tenure, it shall be lawful for the Commissioners to declare whether the holders of the estate, of the tenure, or of the under-tenure, shall be deemed to be the landholders liable to pay to the Collector the sum apportioned as payable in respect of such land.

31. The total sum so made payable in respect of the improved lands of any one landholder, and the total sum so made payable in respect of the reclaimed lands of any one landholder, with interest upon such sums at five per centum per annum from the date of apportionment, and any interest payable under section 29, and any interest payable under clause 1 of section 26, but not paid or recovered before the apportionment under section 28, shall be a first charge upon such improved lands and upon such reclaimed lands respectively. Such charge shall not be avoided by the sale of such lands or of any estate, tenure, or under-tenure within which they are included for arrears of revenue or rent.

32. The Commissioners shall, so soon as conveniently may be, after having apportioned the sums to be payable by the holders of the lands of any village respectively, make and publish a report describing the several lands in respect of which they have declared such sums to be payable, the names of the respective holders thereof who have been made liable to pay the same to the Collector, and the sum payable by each in respect of the same. Every such report shall distinguish between the reclaimed lands and the improved lands, and shall classify the latter according to the extent of the improvement. A copy of such report shall be sent through the Collector to the Commissioner of the Division for confirmation by such Commissioner.

33. If the Commissioners shall, for the space of three months after the completion of the entire works has been certified to them as aforesaid, neglect or refuse to proceed with the apportionment of the sums payable as aforesaid, or to make such report as aforesaid, or for the space of two months after any report and apportionment shall have

been returned to them for further consideration and revision under the provisions hereinafter contained, neglect or refuse to proceed to such further consideration and revision as is required, the Collector may serve them with a notice requiring them to proceed as aforesaid: and if for one month after service of such notice they neglect so to proceed, the Lieutenant-Governor may appoint such officer or officers as to him shall seem fit to make or consider and revise such apportionment and report, and to do all or any of the subsequent acts which the Commissioners are hereby required or empowered to do in respect of such apportionment and report; and every apportionment and report so made or revised, and every such act so done, shall have the same force and effect as if the same had been made, revised, or done by the Commissioners.

34 Whenever any apportionment and report have been made in pursuance of the provisions hereinbefore contained, the Commissioners shall cause such report to be published by affixing in every village in which any lands mentioned therein are situate a copy of so much thereof as relates to such lands, and also a like copy at the office of the Collector and of the Sub-divisional Officer, and at every Munsif's Court within whose jurisdiction, and at every police thaná within the limits of which, such village, or any part thereof, is situate. The fact of such apportionment and report having been made, and of such copies having been affixed, shall also be notified by beat of drum in every such village.

35. Any person who may deem himself to be aggrieved by any such apportionment may, within one month after such report has been published, prefer an objection before the Commissioners, and the Commissioners shall be bound to enquire into and decide upon such objection; and any person who is dissatisfied with such decision may, within one month from the date of such decision, appeal to the Commissioner of the Division against such apportionment; and such Commissioner shall cause notice of the day fixed for the hearing of such appeal to be published by affixing the same in the office of the Collector and of the Sub-divisional Officer, and in a conspicuous place in every village, and in the Court of every Munsif within whose jurisdiction, and at every police thaná within the limits of which, any of the lands mentioned in such report are situate.

Such Commissioner shall hear such appeal and the objections thereto of all persons interested, and may confirm such apportionment, or may revise and alter the same as to him shall seem fit, or may return the same to the Commissioners for further consideration and revision:

Provided that the total sum apportioned by every apportionment and report so revised and altered as payable in respect of all the lands improved or reclaimed by the works shall not be less than the total cost of the construction of such works within the meaning of section 25.

Every such apportionment and report, when revised or altered, shall, so far as the same has been altered, be published, and be liable to appeal in like manner as the original apportionment and report.

The decision of the Commissioners of the Division upon any appeal under this section shall be final.

36. Whenever the Commissioner of the Division shall confirm any determination of apportionment and report, or whenever one month shall have elapsed from the publication of any apportionment, report without any appeal therefrom having been preferred, he shall pass an

1330. order declaring the sums payable in respect of the lands respectively and the persons liable to pay the same to be determined, and shall cause such order to be published in such manner as to him shall seem fit.

(1)—When the subordinate tenure comprises the whole of the estate or superior tenure, the annual value of the subordinate tenure shall be taken to be the same as that of the estate or superior tenure.

Example.—An estate paying a revenue of Rs. 80 is summarily valued by the Collector, under clause a of section 27, at Rs. 200. The whole estate is let in patni for a rent of Rs. 120. The annual value of the patni tenure will be Rs. 200.

(2)—When the subordinate tenure comprises a part only of the land constituting the estate or superior tenure—

(a) The difference between the annual value of the estate or superior tenure, and the revenue or rent payable in respect of such estate or superior tenure, shall first be ascertained;

(b) Next, the ratio which such difference bears to such revenue or rent shall be ascertained;

(c) Then the amount which bears the same ratio to the rent payable in respect of the subordinate tenure shall be ascertained;

(d) Half of the amount so ascertained shall be added to the rent payable in respect of the subordinate tenure, and

the result shall be taken to be the annual value of the subordinate tenure.

Example A.—An estate paying a revenue of Rs. 60 is summarily valued by the Collector, under clause a of section 27, at Rs. 100. A part only of the estate is let in patni for a rent of Rs. 37-8.

The difference between the annual value of the estate (Rs. 100) and the revenue paid in respect of it (Rs. 60) is Rs. 40. This difference bears a ratio of two-thirds to the revenue (Rs. 60).

The amount which bears the same ratio (two-thirds) to the rent payable in respect of the patni (Rs. 37-8) is Rs. 25;

1880.
Act 9. add half of Rs. 25 to the rent payable in respect of the patni tenure, and the result (Rs. 37-8) + Rs. 12-8 = Rs. 50 will be the annual value of the patni tenure.

Example B.—Within the patni tenure paying a rent of Rs. 37-8, as in example A, is a darpatni tenure paying a rent of Rs. 27.

The difference between the annual value of the patni tenure ascertained as above (Rs. 50) and the rent payable in respect of the patni (Rs. 37-8) is Rs. 12-8, which bears a ratio of one-third to the said rent.

The amount which bears the same ratio (one-third) to the rent payable in respect of the darpatni (Rs. 27) is Rs. 9 ;

add half of Rs. 9 to the rent payable in respect of the darpatni, and the result (Rs. 27 + Rs. 4-8 = Rs. 31-8 will be the annual value of the darpatni tenure.

30. When the land contained in any estate or tenure has been summarily valued according to a rate per acre, under clause b of section 27, or under section 28, the annual value of the land comprised in any subordinate tenure shall be taken at the same rate per acre as that of the estate or superior tenure.

31. The holder of any estate or tenure which has been summarily valued under section 27 or 28 may, within one month from the posting of the valuation-roll in respect thereof under section 35, lodge a return in the form in Schedule A contained in regard to such estate or tenure, and thereupon such return shall be deemed to be a return made as required by section 16, and shall be dealt with accordingly.

32. Instead of proceeding to value any estate or tenure summarily under the provisions of section 27 or 28, the Collector may, if he think fit, cause a notice to be served in respect of any such estate or tenure in the form No. I. in Schedule B contained, or in the form No. II. in the said schedule contained, as the case may be, and thereupon all the provisions of this part shall apply in the same way as they would have applied if the annual Government revenue or rent payable in respect of such estate or tenure had exceeded one hundred rupees.

Lands used for Tea, Coffee, or Cinchona.

33. In the case of lands acquired under any rules issued by, or under the authority of, the Government for the sale, lease, grant, or clearance of waste lands, or held directly from Government, and used for the cultivation of tea, coffee, or cinchona, the Collector shall, in lieu of the notice prescribed by section 16, cause a notice to be served, calling on the holder of such lands to lodge, within two months of the service of such notice, a return in the form in Schedule C contained, giving the particulars in such form set forth ; and the annual value of such lands shall be fixed at ten rupees in respect of every acre therein entered as cultivated, unless the Board of Revenue shall, in any particular case, prescribe a lower rate. The provisions of sections 15 and 31 shall apply to all lands in respect of which a notice has been issued under this section.

Publication of Valuation-Rolls and Duration of Valuations.

Act 9.

34. Whenever any valuation or re-valuation is made under this part, the Collector shall cause to be prepared from the returns furnished to him, and from the valuations made by him in accordance with this Act, a valuation-roll of each estate within his district and of the tenures therein comprised, noting thereon for each estate the amount of revenue annually payable to Government on which the deduction specified in section 41 is to be calculated.

On the application of any holder of an estate or tenure or holding, and on payment of such copying fee as the Board of Revenue shall, from time to time, determine, the Collector shall cause to be furnished to such holder a copy or corrected copy of so much of any such returns, and of any such roll, as relates to the lands included within his estate, tenure, or holding.

35. On the completion of every roll prescribed under this part, the Collector shall cause a copy thereof to be posted up at the mál-kachahri of the estate to which such roll refers, and shall cause extracts of such portions of any such roll as refer to be posted up at the mál-kachahri of such tenure :

Provided that, if no such mál-kachahri be found, such roll and such extracts shall be posted up at some conspicuous places on the estate and tenures respectively to which they refer, and that, if such estate or tenure cannot be found, such roll and such extracts shall be posted at some conspicuous place in any village in which such estate or tenure is believed to be situate.

The person who is entrusted with the publication of any such return shall obtain an acknowledgment in writing, signed by two persons, who may be either respectable residents of the neighbourhood, or chaukidárs, or other officers of Government, to the effect that such return was duly published on the spot, and shall give in such acknowledgment to the Collector.

36. Except as otherwise in this part expressly provided, every valuation and re-valuation made under this chapter shall remain in force for the term of five years from the date fixed by the Lieutenant-Governor under section 12 as the date from which the cess leviable in pursuance thereof shall take effect, and thereafter, until another re-valuation and assessment in substitution therefor shall have been ordered and completed.

37. Nothing in section 36 contained shall be held to debar the Collector, with the sanction of the Board of Revenue, from making at any time any reduction which he may think fit in the valuation of any estate or tenure ;

or from making a valuation of and assessing and levying cess under the rules laid down in this part upon any estate or tenure which for any reason whatever has been omitted from the valuations and assessments for the time being, in force, or which was not in existence when such valuation or assessment was made.

42. (1) Every holder of a revenue-paying estate shall pay the amount of road cess and public works cess due by him in equal instalments on the several days, fixed "under the provisions of section 3 of Act XL of 1831, or of any similar Act at the time being in force for the payment of arrears" of revenue due in respect of his estate, or, if such revenue be payable in one annual sum, then on the day fixed for the payment of such sum.

(2) Every holder of a revenue-free estate shall pay the amount of road cess and public works cess due by him in two equal instalments or in one annual payment upon such days or day as shall be for that purpose appointed by any order of the Lieutenant-Governor.

Such separate liability shall take effect from the same date as the separate liability of the newly-formed estates respectively in respect of land-revenue.

The procedure prescribed by sections 34 and 35 shall be followed when Procedure to be followed ever a re-distribution of the valuation is made in consequence of a partition as mentioned in "this section."

44. (1) When a recorded sharer of a joint revenue-paying estate has opened a separate account under Act XI. of 1859, or under section 70 of Bengal Act VII. of 1876, or any similar law for the time being in force for the regulation of the opening and maintaining of such separate accounts, he shall be entitled, in regard to the payment and realization of road cess and public works cess under this Act, to all the advantages of separate liability enjoyed by him under the said Act XI. of 1859 and Bengal Act VII. of 1876 in regard to the payment and realization of revenue, and shall be entitled to separate assessment and to the issue of separate notices under this Act from the date on which such advantages shall take effect in respect of the demand of Government revenue.

(2) Whenever any such separate account is opened after the valuation of an estate, and while such valuation remains in force, the Collector shall issue a notice on the holders of the shares severally, in respect of which the accounts are to be kept separately, informing them that, unless any objection is preferred to the Collector within one month of the service of such notice, the amount of the cesses which the whole estate is liable to pay according to the existing valuation will, from the date on which such separate accounts were opened, be apportioned among such shares severally in proportion to the amount of Government revenue for the payment of which each such share is entered in the separate accounts as being liable. Such notice shall specify such proportionate amount.

(3) If no such objection be preferred within the time specified, such proportionate amount shall be the amount of the cesses for which the respective holders of such several shares are primarily liable as mentioned in section 13 of Act XI. of 1859, subject, however, to the general responsibility of the holders of the entire estate as mentioned in section 14 of the said Act, if the amount of the cesses due on account of any such share cannot be recovered as provided in sections 98 and 99 of this Act from the holders of such share.

(4) If any such objection shall be preferred as aforesaid, the total amount of the cesses for which the whole estate is liable according to the existing valuation shall be apportioned among the several shares in respect of which such separate accounts are opened in proportion to the annual value of such shares respectively under such rules or special instructions, not being inconsistent with this Act, as may be issued by the Board of Revenue; and the holders of such several shares shall be primarily liable as aforesaid for the payment of the amount of the cesses so apportioned on their shares respectively.

(5) Whenever the separate account of the revenue payable in respect of any share or portion of an estate, as mentioned in clause 1 of this section, shall be closed, the provisions of this section shall cease to have effect in respect of such share.

If any instalment of road cess or public works cess or part thereof payable to the Collector shall not be paid within fifteen days from the date on which the same becomes due, the amount of such instalment or part thereof may be recovered at any time within three years after it became due, with interest at the rate of twelve "and a half" per centum per annum calculated from the date on which such instalment became due, and with all costs of recovering the same.

46. (1) In any district to which the Lieutenant-Governor may specially order that the provisions of this section shall be extended, it shall be lawful for the Collector to keep a separate account in respect of the amount of cesses payable and paid by any holder of a revenue-free estate who is recorded in Part I. of the Collector's general register of revenue-free lands as proprietor or manager of any specified share or interest in any revenue-free property.

(2) Such separate account shall be opened and kept under such rules as to the levy of fees and other matters, and subject to such conditions, and in such manner, as the Board of Revenue may, from time to time, prescribe; and the Board of Revenue may at any time order that any separate account which has been so opened shall be closed from such time as they may direct, and no longer kept as a separate account.

(3) As long as any separate account shall remain open as provided in the "preceding clause"† and no longer, the joint liability of the holders of such revenue-free estate for payment of the entire amount payable in respect of such estate shall cease; and the Collector shall recover the amount of cess or other demand due in respect of each share or interest for which an account has been so separately kept from the holder or holders of such share or interest only; and, if the Collector shall think fit to proceed under section 99, he shall take action under that section against the share or interest only in respect of which the sum demanded is due and the rents thereof.

47. Every holder of an estate or tenure to whom any sum may be payable under the provisions of this Act may recover the same with interest at the rate of twelve and half per centum per annum in the same manner and under the same penalties as if the same were arrears of rent due to him.

Provided that the person in whose favour the certificate has been made shall be deemed to be the person for the sum mentioned in the certificate; and all proceedings for the recovery of the sums mentioned in the certificate shall be taken at the instance of the person in whose favour the certificate has been made, and at his cost and on his responsibility, and not

Provided also that if the person against whom such certificate has been made shall object to the certificate, he may, within fifteen days of the date of the certificate, move the Collector to cancel such certificate, and leave the applicant to his remedy against whom such certificate has been made for the recovery of which he has paid more than the amount which the applicant would have been liable to pay from such person in a Civil Court as being such person's share or interest in the estate, and if, in the opinion of the Collector, there is probable ground for such objection, the Collector may, if he think fit, cancel such certificate, and leave the applicant to his remedy in a Civil Court.

CHAPTER IV. — *Valuation and assessment of lands held rent-free, and payment and recovery of cess in respect thereof.*

All lands held without payment of rent, other than lands mentioned in section 33, and other than estates entered on the general register of revenue-free lands of the district, shall, for the purposes of this Act, be deemed to form a part of any tenure within the local boundaries of which they are contained; and if they are not contained within the local boundaries of any tenure, then to form a part of any estate within the local boundaries of which they are contained; and if they are not contained within the local boundaries of any estate, then to form a part of the estate in which they were included at the original settlement of such estate; and if there be any doubt as to the estate in which they were so included, then to form a part of such conterminous estate as the Collector, in whose district such conterminous estate is situate, shall, by an order under his seal, appoint.

64A.* All sums due to the holder of any estate or tenure under the provisions of this chapter in respect of any land held rent-free may be recovered by such holder from any owner or holder of such rent-free land, or from any occupier of the same, by any means and any process by which the amount might be recovered if it were due on account of rent of a transferable tenure or holding, and subject to the same rules as to limitation :

may at any time cause a notice as mentioned in section 16 to be served on the holder of any rent-free land which he shall consider not to have been entered in the return of any estate or tenure in which such land ought to have been included under the provisions of section 51. Such notice shall require the holder of such land to lodge at the office of the said Collector a return in the form in Schedule A contained in respect of such land ;

and on service of such notice the provisions of this chapter shall no longer apply to such lands ; but the same consequences shall ensue, and the same liabilities shall attach to the holder of such land as would have ensued and would have attached if such lands had constituted a revenue-free estate.

If the Collector has reason to believe that any land in respect of which he determines to serve such notice has been included in the return of any estate or tenure, he shall give notice of his intention to the holder of such estate or tenure, and shall alter such return as may be requisite, and shall correct the valuation and assessment of such estate or tenure as may be required.

Provided that no holder of rent-free land who at any time after the expiration of the time prescribed shall, of his own motion, and otherwise than after the issue of any notice by the Collector in respect of his lands, give such information to the Collector, shall be liable to prosecution for omitting to give such information within the prescribed time.

68. On receipt of such information, whether within the time prescribed

Collector thereupon may require such holder to make return.

or after the expiration thereof, the Collector may, by an order in writing, require such owner or holder to make a return of his land in the form in Schedule A contained, or, if the gross rental of such land does not exceed one hundred rupees, may order that such land shall be summarily valued under section 27 or section 28, and may proceed to make such valuation.

69. Every order made by a Collector under the last preceding section

1380. district generally, together with interest calculated at twelve and a half per centum per annum on each instalment from the date on which such instalment would have been payable if such valuation had been in force.

Act 9.

71. No owner or holder of rent-free land on whom a notice has been served by the Collector under section 68, or in respect of whose land an order has been made by the Collector under section 68, shall be liable to have the land to which such notice or order refers included in any return of an estate or tenure, or to pay any amount as road cess or public works cess otherwise than to the Collector or to some person appointed by him in that behalf, unless, on a re-valuation of any estate or tenure being made, the Collector shall, by an order in writing, direct that for the future such land shall be included within such estate or tenure for the purposes of this Act ; and upon such order being made, the provisions of this chapter, in so far as they are applicable, shall apply to the assessment and payment of road cess and public works cess in respect of such land.

CHAPTER V.—*Valuation, assessment, and levy of cesses on mines, railways, and other immoveable property.*

72. On the commencement of this Act in any district, and thereafter before the close of each year, the Collector of the district shall cause a notice to be served upon the owner, chief agent, manager, or occupier of every mine, quarry, tramway, railway, and other immoveable property not included within the provisions of Chapter II., and not being one of the tramways or railways mentioned in section 8 ; such notice shall be in the form in Schedule E contained, and shall require such owner, chief agent, manager, or occupier to lodge in the office of such Collector, within two months, a return of the annual net profits of such property, calculated on the average of the annual net profits thereof for the last three years for which accounts have been made up.

Such Collector may, in his discretion, extend the time allowed for lodging such return.

73. Whenever any property assessable under this chapter lies in two or more districts, the notice to furnish a return under section 72 shall be served on the owner, chief agent, manager, or occupier of such property by or through the Collector of the district in which such owner, chief agent, manager, or occupier may reside or have his chief place of business, and one return for the whole of such property shall suffice.

76. If such Collector be unable to ascertain the annual net profits as aforesaid of any property assessable under this chapter, he may, by such ways or means as to him shall seem expedient, ascertain and determine the value of such property, and shall thereupon determine six per centum on such value to be the annual net profits thereon.

77. The expenses incurred in making any valuation under section 75 or section 76 may be recovered together with all costs of the recovery thereof as provided in section 98 from the person who was bound to make such return or who made the incorrect return.

79. New valuations under this chapter shall be made by the Collector of the district every year, and such Collector may, for that purpose, cause such notices to be issued and served, and such returns to be made, and shall have such powers and authorities as are in this part mentioned and conferred :

Provided that whenever any return made under section 72 shall be accepted by the Collector for any year, the owner, chief agent, manager, or occupier of such property may, if he see fit, declare in writing at the time of such acceptance that the annual net profits set forth in such return may, for the purposes of this Act, be deemed to be the annual net profits for each of the five years then next ensuing.

And if the Collector of the district shall agree to accept such declaration, no new valuation shall be made of such property until the said five years shall have expired.

80. When the rate of road cess and public works cess to be levied in the district upon property assessable under this chapter shall have been determined for any year as in this Act provided, the Collector of the district shall cause to be served on the owner, chief agent, manager, or occupier of every such property a notice showing the amount of road cess and public works cess respectively payable in respect of such property, and specifying the date from which such cesses shall take effect. And such amount shall be payable by such owner, chief agent, manager, or occupier to such Collector in two equal instalments—the first on the expiry of six months, the second on the expiry of nine months, after the date fixed as hereinbefore provided for the commencement of the year.

81. In any case in which the occupier of such property is a different person from the owner, and has paid in excess of half of the sum due as road cess and public works cess on account of any instalment, such occupier shall be entitled to deduct the amount of such excess from the next and subsequent instalments of rent payable in respect of such property ; and every owner who has paid in excess of half of such sum due shall be entitled to recover the amount of such excess from the occupier : provided that in no

case shall an occupier deduct from his annual rent more than half of the rate of the road cess and public works cess on every rupee thereof.

27. If any portion of the land likely to be affected by any work to be undertaken under this Part lies within another district, the Collector who causes the work to be executed shall, when commencing upon it, give notice of the same to the Collector of such other district; and the provisions of section 20 shall be applicable to all proceedings connected with the work and the cost thereof.

Whenever it is deemed requisite to repair any embankment or water-course, or embanked tow-path maintained by Government, it shall be lawful for the Engineer, or any person authorized in that behalf, to enter in and upon the lands mentioned in section 5, and take possession of, appropriate, and remove any earth or other material therefrom, and use the same for the purposes of such repairs.

PART V.

Acquisition of lands and compensation.

37. Whenever, in the course of proceedings under this Act, save in those cases in which the Collector has proceeded under the provisions of sections 12 and 13, Bengal Act VI. of 1873, it appears that land is required for any of the purposes thereof, proceedings shall be forthwith taken for the acquisition of such land in accordance with the provisions of the Land Acquisition Act, X. of 1870, or other law for the time being in force for the acquisition of lands for public purposes.

38. Subject to the provisions of section 5, whenever any land other than land required or taken by the Engineer, or any right of fishery, right of drainage, right of the use of water, or other right or property, shall have been injuriously affected by any act done or any work executed under the due exercise of the powers or provisions of this Act, the person in whom such property or right is vested may prefer a claim by petition to the Collector for compensation: Provided that the refusal to execute any work for which application is made, and the refusal of permission to execute any work for the execution of which the permission of the Collector or any other authority is required under this Act, shall not be deemed acts on account of which a claim for compensation can be preferred under this section.

39. No claim under the last preceding section shall be entertained which shall be made later than two years next after the completion of the work by which such right is injuriously affected.

40. When any such claim is made, proceeding shall be taken in view to determine the amount of compensation, if any, which should be made and the person to whom the same should be payable, as far as possible in accordance with the provisions of the Land Acquisition Act, X. of 1870, or other law for the time being in force for the acquisition of land for public purposes.

PART VI.

COST OF WORKS, PROCEEDINGS, &c.

1.—*Ascertainment thereof.*

42. The provisions of section 47 and the following sections in this Part contained shall not apply to any of the embankments mentioned in Schedule D to Bengal Act VI. of 1872 annexed, or which may be hereafter included therein, save so far as any works or repairs are executed therein or in relation thereto under the provisions of section 18 or of section 31; or to any of such embankments as may hereafter be erected for the protection of lands which, at the commencement of this Act, are protected by the embankments mentioned in the aforesaid schedule, save so far as the erection of such embankments may protect lands not protected by the embankments mentioned in the aforesaid schedule. All sums payable in respect of any works or repairs executed in or in relation to the embankments mentioned in the aforesaid schedule, except under the provisions of section 18 or of section 31, shall be paid by the Government.

43. If at any time after the commencement of this Act, on enquiry made by the Collector as far as possible in accordance with the provisions of Part II. of this Act, it shall be found that it is unnecessary for the public interests to retain any embankment mentioned in the said Schedule D, or any embankment or water-course which may have been included in the said Schedule D under the clause next following of this section, the Lieutenant-Governor may direct that the same shall be no longer included in the said schedule: Provided that the Lieutenant-Governor may restore the same to the said schedule if on any subsequent enquiry similarly conducted it shall appear to the Lieutenant-Governor that it is necessary so to do.

1892.

Act 2.

The Lieutenant-Governor may, at any time after the passing of this Act, by a notification published in the *Calcutta Gazette*, direct that any embankment not mentioned in the said Schedule D, or any water-course, be included therein, and the provisions of this section shall apply to such embankment or water-course.

44. In accordance with the custom heretofore in force in respect of the pergunnahs entered in Schedule E annexed to Bengal Act VI. of 1873, the Government shall continue to contribute annually the sum noted therein for each pergunnah respectively towards the maintenance of the embankments thereof.

45. If the embankments maintained in either of the said pergunnahs shall at any time be declared to be public embankments under the provisions of section 7, the Collector shall, from the date of such declaration, keep a separate account for such pergunnahs, in which the aforesaid sum shall be credited at the commencement of each financial year. The unexpended balance at the close of each year shall be carried on to the credit of the account in the next succeeding year, and shall be available for the cost of repairing or erecting all the embankments which it may be deemed necessary to maintain in such pergunnah.

46. If at any time after the commencement of this Act, on an enquiry made by the Collector as far as possible in accordance with the provisions of Part II., it shall be found that it is unnecessary for the public interests to retain any embankment in either of the said pergunnahs, the Lieutenant-Governor may direct that such contribution shall cease in respect of such pergunnah: Provided that such contribution shall again be made in accordance with the provisions hereinbefore contained, if it shall appear to the Lieutenant-Governor, on the report of an enquiry similarly conducted, that the maintenance of any embankment in such pergunnah has again become necessary for the public interest.

47. Subject to the provisions of Part III. of this Act, before the Collector or the Engineer undertakes, under the provisions of this Act, the execution of any repairs or of any work other than any new work of which the estimates, specifications, and plans have been prepared and deposited in the Collector's office for public inspection as provided in section 7, specifications and estimates of the expenses to be incurred in respect of the repairs or works, including such proportion of establishment-charges of the Lieutenant-Governor shall direct, shall be prepared by the Engineer.

48. 49. Copies of all specifications and estimates prepared under the two last preceding sections shall be transmitted to the office of the Collector, together with vernacular translations thereof, or such abstracts thereof as the Lieutenant-Governor may from time to time direct, and may be examined by any person interested in such works or repairs.

Special notices shall also be served in respect of every estate in which the area liable to the assessment of the apportioned charge is likely to exceed one hundred acres; or instead of causing a general notice to be published, the Collector may cause a special notice to the same effect to be served in respect of every estate chargeable for, or likely to be affected by, the said works or repairs. Should any objection in regard to such specifications and estimates be preferred by any such person within a period of one month from the date of service of such notice, the Collector shall pass such orders as may appear to him reasonable and proper.

51. The accounts of the actual expense incurred in executing any works or repairs, or of any portion of the actual expenses with which the Collector may determine to deal separately under this and the following sections, shall be prepared as soon as possible after the completion thereof. On receipt of such certificate or amended certificate, the Collector shall cause a statement to be prepared of the villages of which any lands are benefited or protected by such works and repairs, and of the estates to which they belong, and, except as otherwise in this Act provided, the zamindars of such estates and villages shall be liable to pay the said amount. Copies of the said accounts, certificates, and statements shall be deposited in the office of the Collector, and may there be examined by any person interested.

52. General notice of the receipt and deposit of such accounts, certificates, and statements in the office of the Collector, shall be given. Special notices thereof shall also be served in respect of every estate in which the area liable to assessment of the apportioned charges exceeds one hundred acres; or instead of causing a general notice to be published, the Collector may cause special notices to the same effect to be served in respect of every estate and tenure on or among the zamindars or tenure-holders of which any sum is charged or apportioned; and if, within one month of such general notice being given, or of such special notice (if any) being served on him, any interested person shall object to the accounts on the ground either that the work charged for has not been performed, or that the whole sum charged has not been expended, or that the rates of charge are higher than those mentioned in the estimates, the Collector shall enquire into such objection, and pass orders thereon.

53. The Collector shall add to the amount appearing in the said certificate all sums which have been paid or have become payable in respect of the said works and repairs, whether as compensation, costs, and expenses under, and incidental to, any proceedings taken or directed to be taken under Part II. or Part V. of this Act, or under sections 26 to 29 of Bengal Act VI. of 1873, as cost of making of surveys and plans, as cost of preparing the estimates, accounts, certificates, and statements, as cost of the issuing and service of notices up to

Such notices shall make it known that an enquiry will be held at a day and place therein named for the purpose of apportioning amongst the zamindars and tenure-holders the said total sum, with interest and the costs of apportionment.

 the custom hitherto in force in respect of such embankments ; that is to say,

 estates respectively, but so that the amount out of any total sum apportioned
 in respect of each estate in Rati, Gadasand, and Hajipur, shall bear such
 a proportion to the land-revenue payable for such estate as shall be twice as
 great as the proportion which the amount apportioned in respect of each
 estate in the remaining pergunnahs shall bear to the land-revenue payable
 for such estate.

 Apportionment amongst embankments on the right bank and left bank of

 ciple of proportion, is payable in respect of such portion of the estate as is
 not included within any tenure.

62. If, after the apportionment of the expenses of any works and repairs as above prescribed, any expenses not included in such apportionment shall be found to have been paid or to have become payable on account of the said works or repairs, whether as compensation or otherwise, the Collector may proceed to apportion such further expenses in the manner in this Part provided.

63. Instead of the procedure prescribed above for charging upon and recovering from zamindars the expenses actually incurred in the repairs and maintenance of public embankments and water-courses and the works connected therewith, the Lieutenant-Governor may, by an order to be published in the *Calcutta Gazette*, direct that an estimate be made of the expenses to be incurred in respect of such repairs, maintenance, and works during any number of years, not exceeding thirty, which he may think fit; and may, by a subsequent order, fix the total sum payable during such number of years by the zamindars of the estates benefited by such repairs, maintenance, and works:

Provided that no order fixing such total sum shall be passed by the Lieutenant-Governor until three months after the amount of such estimate shall have been published in the *Calcutta Gazette* and by a general notice calling on all persons interested to prefer to the Collector any objections they may think proper against such amount being fixed as the total sum. Instead of causing a general notice to be published, the Collector may cause special notices to the same effect to be served in respect of every estate and tenure on or among the zamindars or tenure-holders of which any sum is charged or apportioned.

70. If any such sum payable to the Collector, or any instalment thereof, be not, pursuant to the said order, paid, the same with interest may be recovered as arrears of a demand under the provisions of the Public Demands' Recovery Act, 1880, or any similar Act for the time being in force.

73. If the Collector thinks it inexpedient to proceed for the recovery of such sum or any part thereof under the provisions of section 70, or, having so proceeded, shall have failed to realize the sum due, he may, with the sanction of the Board of Revenue, raise the amount necessary to discharge the sum or instalment remaining unpaid—

- (a) by mortgaging the whole or any part of such estate;
- (b) by letting in farm or managing by himself or another the whole or any part of such estate;

Every instalment of such tax or rate shall be deemed to be due on the first day of the quarter in respect of which such instalment is payable.

119. For all sums paid on account of any tax or rate under this Act a receipt stating the amount and the tax or rate on account of which it is paid shall be given, signed by the tax-collector, or by some other officer authorized by the Commissioners to grant such receipts.

Provided that, as regards any portion of the said area already lighted with gas, for the future lighting of which a plan shall have been sanctioned by the local Government under the provision of the last preceding section, if it shall appear that the estimated proceeds of the said rate at three per centum will not be sufficient to defray the whole expense of such lighting, it shall be lawful for the Commissioners to impose a rate sufficient to defray the whole expense of lighting such portion.

310. The rate imposed under the last preceding section upon holdings shall be paid by the occupiers thereof by quarterly instalments in advance, but no rate shall be leviable until the lamps in the portion of the area to be lighted shall have been lighted, nor shall any rate be leviable for any quarter or portion of a quarter antecedent to such lighting.

And the provisions of sections 96 to 109 (both inclusive), and 112 to 130 (both inclusive), shall, *mutatis mutandis*, and so far as they are not inconsistent with the provisions of this Part, be applicable to the assessment and collection of the lighting-rate.

312. If any holding shall be occupied by more than one tenant holding severally, or shall be of less annual value than one hundred rupees, it shall be lawful for the Commissioners to recover the rate from the owner of such holding.

313. Whenever any rate shall be recovered from any owner of any holding under the provisions of the last preceding section, it shall be lawful for such owner, if there shall be but one occupying tenant of such entire holding, to recover from such tenant the entire amount of the rate which shall have been so paid by such owner; and if there shall be one occupying tenant of a part of such holding, or more than one occupying tenant of such holding, then to recover from such tenant, or each of such tenants, such sum as shall bear to the entire amount of rate which may have been so recovered from such owner, the same proportion as the value of the portion of such holding in the occupation of such tenant bears to the entire value of such holding, subject, however, to the provisions of the next succeeding section.

314. Every owner who, under the provision of the last preceding section, may be entitled to recover any sum from any occupying tenant of any holding, or of any portion thereof, shall have, for the recovery of such sum, all such and the same remedies as if he had been the owner of the whole holding.

315. Every occupier shall be liable to the lighting-rate for the time of his occupation. When any person shall have been an occupier for a part only of any quarter, he shall be liable only for so much of the rate for that quarter as may be proportionate to the number of days during which he shall have been an occupier. If he shall have paid the rate in advance, the amount paid in excess of the sum due under this section shall be refunded.

No such rate shall be chargeable to any person on account of any unoccupied holding for the time during which it may remain unoccupied :

316. When the name of the owner or occupier of any holding is not known, it shall be sufficient to designate him, in any notice served or proceeding held under this Part, as the owner or the occupier of the holding on which the rate is assessed, and without further description.

317. If the Commissioners deem it necessary for the purposes of this Part to raise, sink, or otherwise alter the situation of any gas-pipe or other gas-work laid in any portion of the said area, they may, from time to time, by notice in writing, require the person to whom any such pipe or work belongs, or under whose control it may be, to cause forthwith, or as soon as conveniently may be, any such pipe or work to be raised, sunk, or otherwise altered in position, in such manner as the Commissioners may direct :

Provided that such alteration be not such as permanently to injure such pipe or work, or to prevent the gas from flowing as freely and conveniently as before ; and the expenses attending such raising, sinking, or altering, and full compensation for the damage done thereby, shall be paid by the Commissioners out of the Municipal Fund as well to the person to whom such pipe or work belongs as to all other persons.

318. If the person to whom any such pipe or work belongs, or under whose control it may be, do not proceed forthwith, or as soon as conveniently may be, after the receipt of such notice, to cause the same to be raised, sunk, or altered in such manner as the Commissioners require, the Commissioners may themselves cause such pipe or work to be raised, sunk, or altered as they may think fit :

Provided that such works be not permanently injured thereby, or the gas prevented from flowing as freely and conveniently as before.

319. The provisions of this Part shall apply, so far as may be possible, to any scheme which may be adopted by the Commissioners of any Municipality for lighting the Municipality under any system involving the laying of pipes or wires or other similar apparatus.

and the fee on any one holding shall not exceed four hundred and eighty rupees.

Provided that if, on the commencement of this Act, the owners or occupiers of any holding are already under engagement to pay to the Commissioners an annual sum exceeding four hundred and eighty rupees for the cleansing of their premises, such sum, or such other sum as may from time to time be agreed upon between them and the Commissioners, may be levied from them in accordance with the provisions of this Part.

322. The said fee shall be payable by the occupier for the time being of the holding, or by the owner thereof under the next succeeding section, in quarterly instalments, and shall be recoverable in the manner prescribed for the recovery of the rate on the value of holdings in this Act.

324. Every owner who, under the provisions of the last preceding section, is entitled to recover any sum from the occupier of any part of a holding, shall have, for

the recovery of the said sum, all such and the same remedies, powers, rights, and authorities as if such sum were rent payable to him by the occupier in respect of such portion of the holding as may be in his occupation.

333. The Commissioners may, for the purposes of this Part, by a notice in writing, require the owner or occupier of any holding to furnish, within a time to be specified in the notice, a list of the number of persons residing in, or habitually resorting to, such holding.

334. Whoever, being the owner or occupier of any holding, fails to furnish such list within the time specified in such notice, after being required to furnish the same by the Commissioners, shall be liable to a fine not exceeding one hundred rupees.
